

Kristie Mitchell - USFS and PSA Coach

Head Coach - Chaska Figure Skating Club

Specializes in all competitive, test track, and recreational skaters, moves in the field, choreography, and power skating.

Kristie grew up skating in Thief River Falls, Minnesota, where she volunteered as a skate school instructor, and spent her summers skating in both Bemidji and Duluth. She's a founding member of the Chaska Figure Skating Club and has been a competitive skating coach for over 30 consecutive years. In addition, Kristie is also the director for both Chaska Skate School and Waconia Skate School. She received her Professional Skaters Association Coaches Accreditation at the University of Delaware, is rated through the Profession Skaters Association in freestyle and group lessons, has completed courses from the Ice Skating Institute, and is a strong standing member of the United States Figure Skating Association. In order to enhance her coaching techniques, she attends annual PSA conferences, programs, and seminars. This includes learning from national, international, and Olympic level coaches.

Kristie has coached multiple state champions, local medalists, regional medalists, and USFS Gold medalists. She specializes in freestyle, moves-in-the-field, power skating, and choreography. She coaches private skating lessons of all levels, off-ice classes, power classes, and skate school classes. As a coach, Kristie instills confidence, discipline, and grace into her skaters. She develops a strong foundation for all aspects of skating, including artistry, freestyle, moves-in-the-field, strength, and flexibility. She believes that skating opens the doors to many opportunities and experiences that her skaters will carry with them throughout their lives. Kristie helps her skaters meet their goals and sharpen their focus.
