Discussion resulted in a motion by Stacy S to propose that considering our current financial situation, the booster's cover

15.00 per swimmer and 3 coaches towards a team dinner at prior lake meet at hotel.

Gina B then amended the motion for booster club to cover up to 300 towards the cost of team dinner with rest of cost covered by

The swimmers at the meet- each swimmer to pay 10.00

Tom W discussed dinner options and prices, and all fees related to the meal, and it was decided that the meal would be at Giuseppe's

As the most cost effective and flexible option.

Cliff k will be collecting:

10.00 from each swimmer (as well as 35.00 from each swimmer to cover hotel room costs) to cover meal. Cliff will pay booster club after meal to cover swimmers' part collected

From swimmers in attendance. Dinnerware, healthy dessert, beverages will be donated by Kerri P, and boosters' current stock of dinnerware.
