2. Due to the recent change in head coaching staff, the open meeting was held as a membership question and answer forum. President Julie Lakovic asked parents to discuss concerns or questions they might have regarding the events of the past few weeks. Multiple parents gave statements and inquired as to how the board would be moving forward in our search for a new head coach. Based on discussion with previous board members who were involved in the recruitment and hiring our last two head coaches, the board asked for volunteers to serve on a parent/coach committee that would work with the board in our search for a head coach. This method has been used successfully in the past. It allows members of all levels of our swim club to stay engaged and share their questions, ideas, and resources. Having volunteers from every swim group ensures that the vision of our club is maintained. A sign up sheet was available at the meeting for any member or coach who had an interest in serving on this committee and an email will go out to full membership in the next 24 hours to seek more volunteers who weren't present at tonight's meeting. Once we have the list of interested volunteers, the board will assemble the parent/coach committee under the leadership of Deron Johnson. Deron will forward parent/coach committee information to the board as needed. Together we'll work to find the best candidate to serve the needs of High Tides Swim Club. HTSC BOD would like to thank members for attending tonight's meeting.
3. Meeting adjourned @9pm.
