

Metro Marlins Relay Policy

Individual Events and Relays are part of most sanctioned USA Swimming Meets and the Metro Marlins Coaching Staff encourage all swimmers to participate in both, as there are valuable skills to be learned from each.

Swimmers have the opportunity to sign up for Relays when they are offered in a swim meet by leaving a note on the Athlete Sign-up page on the Metro Marlins Team Unify website.

MMST Coaches will draft swimmers to fill out a relay having insufficient numbers.

Here's How Relay Fees Will Be Handled

- **Fees for Relays and individual events will be compiled post meet and sent to Orono Community Education.**
- **Relay Fees are paid along with fees for individual events. They will be charged to the family of the swimmer using the family's credit card on file with Orono Community Ed.**
