Policies

- All payments are non refundable.
- Credit card processing fees will be added to the monthly invoices.
- Accounts must be current in order to participate in practices and meets.
- A \$20 late fee is automatically charged by the system.

Registration Fee

- There's an annual \$200 per swimmer registration fee due in September.
- The registration fee includes 2 team caps and 2 team t-shirts for each swimmer for both the Tiger Sharks and Hauppauge Swimming.

Tuition

- **Annual:** The tuition listed above is the annual fee for the entire season.
- **Pay in Full:** You can choose to pay the full tuition amount either by check or credit card and receive a \$50 discount. If you pay by check, it must be received by September 1st.
- **Payment Plan:** We also offer a 5 month payment plan. The first payment starts on September 1st, and the remaining payments will be due on the first day of each following month.
- **Sibling Discounts:** The 2nd swimmer receives a 5% discount, and the 3rd swimmer receives a 10% discount.
- **Participation Status:** Please note that full tuition payment is required regardless of your swimmer's participation status.

USA Swimming Insurance Fee

- Families are required to create a USA Swimming account and pay the annual \$82 Premium Athlete Membership for each swimmer to participate.
- Further details with our custom registration link will be sent out in September.

USA Swimming Meet Fees

- Meet fees are set by meet hosts and are published in the information packet.
- Meet fees are typically \$6 - \$10 per event plus a \$10 swimmer fee.
- Swimmers typically swim 3 events per day.
- We're required to submit payment with our team entry file.
- Therefore, you're obligated to pay the meet fees even if your swimmer doesn't attend because we already paid for the meet fees based on commitment.
- Meet fees will be billed on the 1st of the following month.

USA Swimming Home Meet Volunteers

- Our hosted meets are crucial for our athletes' growth and understanding of competitive swimming. To ensure their success and serve our athletes effectively, the support of The Tiger Sharks and Hauppauge families are essential.
 - Families will receive volunteer assignments.
 - You must fulfill the assigned sessions by volunteering or swapping with others to make sure your assignment is completed.

Non Home Meet Volunteer Requirements

- Some meets that we attend require us and other attending teams to volunteer.
- Failure to comply with these rules will result in our swimmers being removed.
- These volunteer assignments are separate from our home meets.

Payment Obligation

- It's the Club's policy that payment of the first tuition is your acknowledgement that you have received clearance from your swimmer's primary care physician that the swimmer is cleared to participate in all club practices and events, and you agree to be bound by all policies of The Tiger Sharks and Hauppauge Swimming as published on this website or elsewhere, without limitation:
 - Code of Conduct – Expectations of swimmers and their families.
 - Photo Release – Gives the Club permission to use your child's photo.
 - Obligation to Pay – Payment of the entire dues amount for the full season is due whether or not your child leaves mid-season; no refunds or prorated adjustments.
