

For as long as I can remember, swimming has been a part of my life and an important part of my identity. Beyond the importance of hard work, good races, and time cuts, what matters more to me is the community swimming provides, specifically that of Metro. The Metro LSC is unique (and fast!), and I would like to be the Athlete Rep to make it even stronger than it is. Whether that means bag tags for all qualifying meets, broadcasting for championships, more opportunities for volunteer work for swimmers, working with NY state to allow all tech suits to be mailed to our state, or town hall meetings to hear what our swimmers need, I want to be a leader in the Metro community that advocates for what will make our LSC and swimmers even better. As a confident, responsible, and hardworking student athlete, I believe I am the right person to be the Metro Athlete Rep.
