Safe Sport Co-Chair Report

May 9, 2024

- USA Swimming has created 3 month and 6 month action plan templates for clubs to become Safe Sport Certified.
- Our LSC still is currently running at only 8-10% of teams with SSRP completion.
- We have had issues with minors, on teams that are not safe sport certified, sending texts and other actions that could cause them to be suspended from USA Swimming.
- We as an LSC must set concrete goals to reach 25%, then 50% with a goal to reach 65% of our teams certified by June 2025.
- The next Safe Sport Committee meeting is set for 9/5/2024 at 7pm. This will be a zoom meeting.

Respectfully Submitted,  
Sandy Graham & Phil Paspalas  
Metro Safe Sport Co-Chairs
