

How to Add your Cell Phone Number to Your Account

You can add your cell phone number to your account so you will receive text alerts about cancelled/rescheduled practices. For those who don't know how to do this heres how:

go to www.nbsharks.com and log into your account

on the lefthand side select My account and it will expand a list in which you would select my account again

Then click on the Account info tab

on the right hand side click on Add SMS, it will then prompt you to enter your cell phone number and carrier (ATT, Verizon etc) you will then see a screen to enter a code.

you will immediatley be sent a text message with a code, you will need to enter that code on the box that comes up on the site and then you are confirmed.

you can set up more than one cell phone, you just need to follow the procedure for each number.
