**"Your Investment, Their Success: Fueling Dreams, One Stroke at a Time!"**

Thank you for considering sponsorship of the Hub Fins Aquatics Club. As a non-profit 501(c)(3) organization, we focus on providing swimmers aged 5 to 18 with opportunities for growth and success in swimming.

With a tradition dating back to 1961, we're the oldest competitive swim club in Mississippi. Our goals include fostering a community of excellence while ensuring our athletes have every opportunity to achieve success on both the state and national levels and continuing the legacy of developing Pine Belt area youth.

We rely on fees, fundraisers, and sponsorships to support our operations and seek partnerships with businesses that share our commitment to youth development. Sponsor recognition begins in August and extends through July.
