

Parent Code of Conduct

The purpose of a code of conduct for parents is to establish consistent expectations for behavior by Hub Fins Aquatics Club (HFAC) parents. As a parent/guardian, I understand the important growth and developmental support that my child's participation fosters. I also understand that it is essential to provide the coaching staff with respect and the authority to coach the team. I agree with the following statements.

- I will set the right example for our children by demonstrating sportsmanship, respect and common courtesy at all times to team members, coaches, competitors, officials, parents, and all facilities.
- I will stay off the pool deck during practices (Age Group & Seniors).
- If I must speak to a coach, I will do so only after the conclusion of scheduled practice times and then only for quick inquiries. For longer questions, I will arrange to speak outside of practice times. I will not interfere with coaches on deck during practice for any group.
- I will ensure my swimmer is at practices and meet warm ups on time. I will not drop them off more than 10 minutes before practice. I understand that child care is not provided before or after swim practice. I will pick up my child from practice on time.
- I will respect the integrity of all swim meet officials.
- I will refrain from coaching my child from the stands during practices or meets.
- I understand that criticizing, name-calling, use of abusive language or gestures directed toward coaches, officials, volunteers, other parents and/or any participating swimmer will not be tolerated.
- I will get involved by signing up to time at meets, cheering at meets, and talking with my child and their coach about their progress.
- I will read team communication; email, Groupme, Newsletter, etc.

I understand the above expectations and that my failure to adhere to them may result in disciplinary action.
