

NBAC MISSION STATEMENT

The North Baltimore Aquatic Club leads the nation in competitive swimming. Our diligently designed, professionally coached and internationally renowned program encourages the development of character and self-discipline. These qualities, forged by the combination of creative imagination and hard work, focus our athletes on the disciplined pursuit of excellence. NBAC is committed to safeguarding the well-being of all of its members by creating a safe, healthy, and positive environment, with the welfare of its athlete members as our top priority.

NBAC VISION STATEMENT

The North Baltimore Aquatic Club creates an atmosphere of high expectations through even higher standards. For coaches, there are boundaries, but no limits. For swimmers, what is deemed extraordinary elsewhere occurs daily at NBAC. This legacy of excellence develops belief on the part of our athletes. We are succeeding because we dare to challenge our members to achieve big goals and risk bigger dreams. Winning with NBAC progresses from the commitment, enthusiasm and hard work of our membership.

Relative to both the NBAC Mission and Vision is the NBAC's commitment to safeguarding the wellbeing of all of its members, with the welfare of its athlete members as our top priority.
