Derek White  
Branch Executive Director  
Easton Family YMCA

Dear Derek:

For over 10 years, Talbot Masters has had a close relationship with the Easton Family YMCA and has appreciated the support we've received over that time. We've held countless practices, numerous masters meets and have grown our team as a result of your close partnering. Thank you.

Talbot Masters also has a consistent track record of supporting the YMCA both financially and with our time. We've brought in new members who have joined the YMCA specifically to participate in masters swimming. We have also provided a steady stream of new gift revenue – on an annual basis – through the YMCA Nationals program. For years team members have provided their volunteer time to Special Olympics. And in 2013, we donated the use of electronic pace clocks to all swimmers at the YMCA.

Dr. John Mulflur, an avid masters swimmer, long ago thought that suit dryers would be a nice addition to the facility and could benefit all swimmers. We are happy that we've collected enough funds to purchase one Suitmate Swimsuit Water Extractor and that the YMCA has agreed to co-fund by purchasing the second to be placed in the men's and women's locker rooms. We do believe this will be an exciting addition to an already outstanding facility.

We have an upcoming masters meet at the Easton Family YMCA scheduled for Saturday, November 14. It would be ideal to unveil this gift in time for that meet but of course we know that shipping and installation take time.

Enclosed please find a check made payable to YMCA of the Chesapeake for the sole purpose of funding the Suitmate Swimsuit Water Extractor per the attached quote. If for some reason there is an obstacle with the procurement of this gift, please let me know as we would direct those funds to the next most important item on our list.

Sincerely,

Mark Oliphant on behalf of Talbot Masters

11 Years of Talbot Masters  
112 members and 16 coaches
