## WEEK 3

We've had a great start to Week 3! Attendance is up in all groups and the water is getting warmer for our younger groups!

In this newsletter you will find:

- Corporate Sponsor Info
- USA Swimming Registration Info
- Oct 1<sup>st</sup> Parent Meeting Info
- Team Pictures Info

## CORPORATE SPONSORS

Our 1<sup>st</sup> Fundraiser of the year is underway! See the attached documents for more information about the different sponsorship levels. As a 5019(c)(3), BAC counts on the fundraising efforts of all of her members to cover expenses.

## SPECTATOR SEATING

As a reminder, we have moved our dryland area to the bleacher area for all our groups. For the safety of everyone and to give our kids space during dryland - there is no seating for Spectators or Swimmers on the top of the bleachers that are pushed in.

## USA SWIMMING REGISTRATION

At this point in the season, all swimmers should hold a current USA Swimming Membership. Emails will be sent out today for swimmers who are not registered and if not completed by the end of the week, swimmers will not be allowed in the water for practices until this is completed.

Your USA Swimming Membership is our insurance that covers us in case of an accident and every swimmer in the pool must be covered.

## TEAM PICTURES: OCT 7

Picture Day is coming up on Tuesday, October 7<sup>th</sup> at 4:30pm! Attached is the pre-order form. The photographer will take individual pictures and then make a full team picture out of those. This is expected to take about an hour with all our swimmers.

Swimmers don't need to wear a BAC Team Suit but a dark colored suit is preferred!

## PARENT MEETING: OCT 1

Our next parent meeting will be October 1<sup>st</sup> at 6pm at MSUB! This parent meeting will be all about swim meets and we highly encourage all parents with new swimmers to attend. This meeting will be a more traditional meeting with information presented from Coaches and Board Members (Swim Meet Experienced Parents!)- We will also be able to answer more questions about volunteer positions!
