## FALL INVITE WRAP UP

Our 1<sup>st</sup> Meet of the Season is in the books and our swimmers kicked things off with awesome energy, great racing and tons of team spirit! We're so proud of everyone who competed this weekend.

A HUGE THANK YOU to all our amazing volunteers and especially our officiating crew who made the meet run smoothly! We are so grateful for your time and dedication to our swimmers!

Congrats to two 1<sup>st</sup> Time State Qualifiers – **Mav Fowler** and **Olivia Bealer**! Both raced in their 1<sup>st</sup> meet this weekend!!

## CORN MAIZE TEAM BONDING: OCT 21

On Tuesday, October 21<sup>st</sup> we are inviting our Silver, Bronze, Jr Stingrays and Future Stingrays to the Corn Maize at Grandpa's Farm from 4-6pm. There will be no practice for those groups that day!

Cost will be \$10/person, siblings are invited and parents are encouraged to stay. Coach Jessica and a few board members will be there to oversee but we can always use extra parents! More info will be on next week's newsletter!

## CALL FOR OFFICIALS!

We are always looking for more officials to join our officiating crew - especially from our 10&Under Parents!

Officials make meets possible and we are lucky to have such a dedicated crew of officials but many of these officials no longer have 10&Under Swimmers, so we need parents of our younger swimmers to become officials so we can continue to host meets at MSUB and lessen the travel for everyone!

BAC covers the cost of your USA Swimming Membership and training is provided - you don't need to have any prior swimming experience!

If interested email Coach Jessica or Coach Sean!
