GO STINGRAYS!

Stingrays have been doing great things in and out of the pool! Swimmers have been working hard and we had a blast at the corn maze yesterday! Go Stingrays!

In this newsletter you will find:

- Upcoming Meets
- November Parent Meeting
- Tryouts this Saturday- Spread the Word!

UPCOMING MEETS

As November approaches, we are gearing up for 2 away meets! We encourage all swimmers to attend at least 1 of these meets and race in November instead of waiting until December to race again!

Missoula is November 14-16th at the Griz Pool. This meet is open to everyone but we highly encourage 11&Overs to attend for the prelims/finals format and for the racing opportunities against other Montana Swimming Teams! The Registration Deadline is coming up soon: Weds, October 29th!

Hardin is November 22-23rd at the Hardin Pool! This is a great meet for swimmers 12&Under to race outside of MSUB but also it's only a 45 minute drive! The Registration Deadline is Weds, November 12th!

PARENT MEETING: NOV 5TH

Join us for November's Parent Meeting - this is one you won't want to miss whether you're a new parent or a veteran!

BAC is so lucky to have a great alumni group who always want to give back to the team that started their swimming careers! Alum Liam Kerns and Ethan Harder (both now coaching with BAC) will be sitting down to talk about what swimming and BAC has meant to them and things that helped them during their swimming careers!

New Parents: we will connect with you here if you missed the first 2 parent meetings and want that information!

TRYOUTS THIS SATURDAY

If you know of anyone ready to join BAC - we'll have tryouts this Saturday at 9am at MSUB! Swimmers should come ready to swim with goggles!
