PARENT MEETING: NOV 5TH

Join us for November's Parent Meeting – this is one you won't want to miss whether you're a new parent or a veteran!

BAC is so lucky to have a great alumni group who always want to give back to the team that started their swimming careers! Alum Liam Kerns and Ethan Harder (both now coaching with BAC) will be sitting down to talk about what swimming and BAC has meant to them and things that helped them during their swimming careers!

CHIPOTLE FUNDRAISER

Our next fundraiser dinner will be November 12th
from 4-8pm at the Chipotle at West Park (1601
Grand Ave). You can order online using the
attached code or show the flyer to the cashier!
Thank you for supporting BAC!

TEAM SHIRTS

Team Shirts have started to be passed out
during practice times!

The sizes ordered for swimmers are what is
listed on team accounts, so it's important that
sizes are updated each year when registering
for the team.

We do have a few extras that we can swap
sizes out, please bring the size that doesn't
work back to the pool. This will be a first come,
first serve and we can switch them out before
or after practices (not during!).

Sizes that we have extras of right now: youth
large (3), adult medium (8), adult large (9),
adult XL (7).

HOTELS FOR STATE

Everyone is encouraged to book hotels now
for Short Course State in Butte February 26-
March 1st. There is a basketball tournament
scheduled for the same weekend and rooms
will sell out fast!
