

Saturday – Heat 1 behind the blocks, Heat 2 line up along meet results wall

The Chicken Coop

Items Needed: 4-6 kick boards, 1 leader chicken headband, 1 bag of rubber chickens/ducks per a lane

Objective: To get all rubber chickens, ducks and kickboards to the other end of the pool. Use the kickboards to build a chicken coop on deck. Place all rubber chickens inside the coop and all rubber ducks on top of the coop.

Rules:

- All swimmers must swim or kick at least one length of the pool.
- A team member must swim the stroke printed on the chicken in order for the chicken to make it to the other end of the pool. Only one chicken per a swimmer can be transported to the other end of the pool at a time (ex: if you have two chickens that have fly printed on them then two swimmers must swim the butterfly)
- Ducks can ride on a kickboard but only one duck per a kickboard.
- One of the team leaders needs to wear the chicken headband the whole time.
- Only two team members are allowed out of the water to help build the chicken coop.
- No more than 2 team members swimming the length of the pool at the same time. Exception: Team leaders can be a third member in the water if they are helping another team member. All but two team members must remain in the pool while the chicken coop is being built.

Sunday – Heat 1 behind the blocks, Heat 2 line up along meet results wall

The Mystery Stroke Race

Items Needed: Kickboards if using, chickens & ducks

Objective: Swim 50 meters of your designated stroke and get all your team's chickens/ducks to the other side following the rules below.

Rules:

- All swimmers will be pick a chicken or duck from the bag. If you draw a chicken, you must swim the stroke listed on the chicken. If a swimmer draws a duck they may swim the stroke of their choice but must carry the duck with them down the pool. Swimmers with ducks may use kickboards and can also transport chickens.
- The team leaders can swap chickens and ducks between their team members before the start of the race.
- Only swimmers with ducks can use kickboards unless they draw a chicken with the word FREE on it.
- No more than 2 team members in the water at the same time. Exception: Team leaders can be a third member in the water if they are helping another team member.

TEAM LEADERS: Can everyone swim the stroke they drew? Do you need kick boards? Who is going to get out of the water to help build the chicken coop? Does everyone in your group understand what they are doing?
