

Dear Helena Lions Swim Team Supporter,

The Helena Lions Swim Team (HLST) is a community-based year around competitive swim team challenging swimmers of all levels to achieve personal excellence in swimming and in life. HLST was organized in 1973 as a parent-run, non-profit organization and we rely on the support of our local community and volunteers to help keep our organization running. Our organization has opened the doors to a lifetime of fun and fitness.

Learning to swim reduces a child's risk of drowning by approximately 90 percent, and the better they are, the safer they'll be in diverse bodies of water. That is why our advanced swimmers consistently give back to the community to teach swim lessons and serve as lifeguards.

Through practicing and competing in the sport of swimming our coaches and participants are learning:

- **Dedication**: to reach a goal or succeed you must put dedication and commitment into it.
- **Time management**: by balancing school and swimming, our participants learn how to manage and improve their time management skills.
- **Teamwork**: swimming is both an individual and team sport, it is a balance between motivating your teammates to their goals as well as working hard for yourself.

We are asking for financial donations to assist with hosting swim meets, competing in away meets, equipment needs, and expanding our program to help others learn water safety and basic swim techniques. We support our sponsors by utilizing your business/services whenever possible. The greatest award is the knowledge that you are helping these young athletes and the community. Thank you for considering a sponsorship of the Helena Lions Swim Team (HLST). HLST is celebrating over 50 years of teaching and developing the lifesaving skill of swimming.

Your sponsorship is tax deductible. Thank you for considering our request for sponsorship.

Sincerely,

The Helena Lions Swim Team
