FACILITY

The Bozeman Swim Center, located on the west side of Bozeman High School at 1211 West Main Street, is an 8-lane, 50-meter regulation long course pool. It is equipped with Kiefer non-turbulent lane lines and Spectrum Xelerator starting blocks. The pool is 9-feet deep at the start end and 3.5 feet deep at the turn end. The altitude is 4793 feet. No separate warm-up and cool-down facility is available. Therefore, the provision of a warm-up/cool-down lane and/or 10-minute warm-up breaks will be inserted into the meet schedule at the discretion of the meet referee. The competition course has been certified in accordance with 104.2.2C(4). The copy of such certification is on file with USA Swimming. The length of the competition course is in compliance and on file with USMS in accordance with articles 105.1.7 and 106.2.1. An Automatic Colorado Timing System will be used with touch pads at both ends and 3 backup times. Display will be on an 8-line LED scoreboard. As required by the rules and regulations of MT Swimming, each club will be responsible for providing timers in proportion to their team's athlete numbers at all sessions. A sign-up sheet will be posted at the announcer's table specifying lane assignments.

Directions: From I-90, arriving either east or west bound, take exit 306 onto N 7th Avenue. Turn south onto N 7th Ave and travel 1.2 miles to the tee intersection with West Main Street. Turn right (west) onto W Main Street. Bozeman Swim Center will be on your right in 0.5 miles, just past the Bozeman High School. In addition to the parking off of Main St., there are parking

lots available on the west side of the high school off of N 15th Avenue. The lots are on the right side of N 15th in between Beall St. and Durston Rd. OVERNIGHT PARKING OR CAMPING IS NOT PERMITTED IN THE PARKING LOTS ADJACENT TO THE SWIM CENTER.

MEET FORMAT

This will be a championship meet conducted in accordance with the current policies and procedures of Montana Swimming. The meet will be conducted by age group and events as listed on the Schedule of Events. Over-the-top starts will be used during preliminary competition and/or timed final competition, where appropriate.

All 10 & Under age-group events will be swum during a timed finals session scheduled between preliminaries and finals for 11 & Over swimmers each day. 8 & Under events will be swum during the timed finals sessions on Saturday and Sunday. Awards for 8 & Under and 10 & Under events will be given each day during breaks between events in the timed finals sessions when deemed appropriate.

Other than the 400 IM, 400 Free, 800 Free, and 1500 Free, which will be swum as timed finals during preliminaries, the 11 to 21 age-group events will be a preliminary/finals format (no consolation finals). Preliminary events for the 11 to 21 age groups will swim as mixed-age events, as listed on the **Order of Events**. Qualification for finals will be determined by preliminary results for each individual age group (11-12, 13-14, 15-16, 17-21). Except as noted in the **Exception** subsection, finals will be seeded, swum, scored, and awarded separately by age group.

Exception: Finals for the 15-16 and 17-21 age groups will be swum combined in two finals heats guaranteeing at least 8 places for each of the 15-16 and 17-21 age groups. In the event that 8 swimmers from each of these age groups do not qualify based on preliminary swims for finals, the empty lanes in finals heats will be filled with non-scoring swimmer(s) comprised of those swimmers legally completing preliminaries with the next fastest times from the respective age group with more than 8 preliminary swimmers until both heats of finals are filled. Note that this may result in a finals which includes designated alternates and in some instances, swimmers with a preliminary ranking lower than the designated alternates. After selection of the 16 finalists in this manner, the swimmers will be seeded based on times achieved in the preliminaries; the top 8 swimmers will be seeded in the first finals heat.

Awards and scoring for the 15-16 and 17-21 age groups will be awarded separately. The non-scoring swimmers will not receive points for their finals swims even if they finish ahead of a finals-qualified swimmer. The non-scoring swimmers' times will be shown with an 'X' in front of both the seed time and the final results for these swims.

Relays: 10 and Under Relays will be swum as timed final events in the 10 & Under sessions. 11 and Over relays will be swum as timed finals as the last event in finals each day.

See the **Seeding** section for additional information. **Swimmers entered in the 800 Free, 400 Free, and 1500 Free must provide their own timers. Swimmers entered in the 800 Free and 1500 Free must also provide their own counters. Positive check-in will be required for all swimmers in these three (3) events.**

SAFETY

The Montana Swimming safety guidelines are in effect for this meet and will be enforced. Each coach is responsible for informing swimmers of the provisions of the safety code before attending the meet. For circle swimming **during warm ups and cool down, swimmers must enter the pool using a three-point entry.** Coaches are advised to closely supervise their swimmers at all times. NO running or horseplay will be tolerated. A safety marshal will be on deck. **No diving is allowed from the turn end of the pool.**

RACING STARTS

Any swimmer entered in the meet, unaccompanied by an USA Swimming member coach, must be certified by an USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement. Any swimmers who must start in the water shall be listed in a separate document returned with the entries.

RULES

This meet is sanctioned by Montana Swimming and USA Swimming. 2018 USA Swimming Rules and Montana Swimming Rules will govern the conduct of the meet, except where rules therein are optional and exceptions are stated.

The USA Swimming Code of Conduct and athlete protection provisions will be enforced. All persons acting in any coaching capacity on deck must be currently registered coach members of USA Swimming. Swimmer, official, and coach registration will be confirmed with Montana Swimming Registration Chairperson prior to the start of the meet.

Use of audio or visual recording devices, including cell phones and/or drones, is not permitted in changing areas, rest rooms, locker rooms, or behind the blocks.

Operation of a drone, or any other flying apparatus, is prohibited over the venue (pools, athlete/coach area, spectator areas, and open ceiling locker rooms) any time athletes, coaches, officials, and/or spectators are present.

No glass containers, tobacco, or alcoholic beverages are allowed in the swimming venue.

This meet may be covered by the media, including photographs, video, web casting and other forms of obtaining images of athletes participating in the meet. Entry into the meet is acknowledgement and consent to this fact.

Changing in or out of swimsuits other than in locker rooms or other designated areas is prohibited. Deck Change (as defined by USA Swimming House of Delegates) - Changing, in whole or in part, into or out of a swimsuit (excluding a drag suit) in an area other than a permanent or temporary locker room, bathroom, changing room or other space designated for changing purposes while at a practice, competition, or other pool-related activity.

ELIGIBILITY

All swimmers must be registered with USA Swimming Inc. and Montana Swimming. Swimmers must have achieved at least one qualifying time standard between May 15, 2017, and the entry deadline (the 'Eligibility Period'). There will be no on-deck USA Swimming registration. Teams entering swimmers who are not currently registered USA Swimming athlete members may be fined \$25 per swimmer by the Montana Swimming Registration Chair.

Age as of the first day of the meet (July 13, 2018) shall determine the age group in which the swimmer must compete.

Except ages 8 & Under, swimmers must have at least one qualifying 'BB' time and may then enter any subsequent event that they have achieved a 'B' time or better. See *2017-2020 National Age Group Motivational Times*. All 17-21 swimmers will use the 17&18 'BB' and 'B' time standards. 8 & Under swimmers may only enter events in which they have a qualifying time. See 'Attachment A' for qualifying time standards. Altitude adjusted times will be acceptable.

Swimmers qualified in either the 800 Free or 1500 Free automatically qualify for the opposite event. A qualifying time in 100 meters (or yards) of the backstroke, breaststroke, or butterfly automatically qualifies for the 50-meter event of the same stroke. If a swimmer does not have a qualifying time in the 50-meter event, the 50-meter event shall be designated as a bonus swim for the 100-meter qualifying swim in the OME entry file. All events for which a swimmer is eligible, but does not have a qualifying time during the eligibility period, shall be entered with the 'B' time standard.

Times earned in a USA Swimming-sanctioned time trial or a USA Swimming-sanctioned, approved, or observed meet can be used to qualify for the State Meet. Times earned at a non-sanctioned time trial cannot be used to enter this meet. All individual entry times must be verified through the USA Swimming SWIMS database via OME, or, for entries not submitted via OME, through independent verification of the Meet Registrar and/or the MT Swimming Times Officer.

SWIMMERS WITH DISABILITIES

The Bozeman Barracuda Swim Club and Montana Swimming welcomes all swimmers with disabilities as described in the USA Swimming Rules and Regulations, Article 106, to compete at the meet. Disabled swimmers or their coaches are required to provide advance notice in writing to the Meet Referee and Meet Director to arrange for any needed accommodations including personal assistants required and/or registered service animals by the meet entry date. It is at the discretion of the Meet Referee to determine whether the needed accommodations can be met by the meet resources. Failure to provide advance notice may limit the Bozeman Barracuda's ability to accommodate all requests.

AGE GROUPS	8&U, 10&U, 11-12, 13-14, 15-16, 17-21. Swimmers 8&U must choose either the 8&U or 10&U age group for the entire meet (Relay exception: 8&U may compete on the 10&U relays regardless of which age group they choose to swim in individual events). All combined events will be awarded and scored separately by age group. Age on July 13, 2018 shall determine the swimmer's age group for the meet.
RELAYS	10 & Under relays will be swum in the preliminaries as timed-final events. Relays for swimmers ages 11-21 will be swum as the last event in finals each day (finals only or 'FO'). Relay times may be established by adding the individual times of the four swimmers involved. Relays must be entered with a time and swimmers' names. The full name of those entered in a relay must appear on the master entry form or Team Manager relay report and on the relay entry cards (including alternates). Relay swimmers must swim the race in the order the swimmers are listed on the relay entry card. The 15-21 year old swimmers will swim as a single age group for relays. Relay cards must be completed and placed in the relay card box on the announcer's table (preferred method) or turned in to the Meet Referee no later than the warm-up session at the beginning of the 10 & Under session and by the start of the finals events for 11-21 year old relays each day of the meet for that day's relay events. Relay scores will be added to the overall team scores. Only one (1) relay from each team per age group and gender will be eligible to score. Teams may enter an unlimited number of relays per event if so desired. Relay-only swimmers do <u>not</u> have to be qualified and entered into an individual event, but must pay the meet surcharge fee. Please list the relay-only swimmers on the master entry form. Relay exception for 8 & Under swimmers: 8 & Under swimmers may swim the 10 & Under relay events regardless of which age group they choose to swim in individual events at the meet. Swimmers/teams who fail to report for a relay event will be scratched <u>without</u> penalty.
