Facility

The meet will be held at the Grizzly Pool, which is located next to the Fieldhouse, southwest of the UM Washington Grizzly Football Stadium on the campus of the University of Montana in Missoula. The pool is a seven lane, 25 yard regulation short course pool. The pool is 12 feet deep at the start end and 3.5 feet deep at the turn end. The competition course has not been certified in accordance with 104.2.2C(4). Warm up/cool down lanes are not available.

The timing system is Colorado Timing System 6 with touchpads at both ends of the pool, including three manual backup systems. New Spectrum Xcellerator starting platforms give swimmers exposure to the latest racing advantage. Spectrum back stroke wedges are available to swimmers.

Meet Format

The 2019 MT Short Course state meet is an age group meet. There will be preliminary sessions on Friday, Saturday, and Sunday. Finals will be conducted each day after preliminaries. This is a split session meet with 8&U and 10&U races in mid-day sessions between preliminaries and finals for the 11&Over swimmers.

Over the top starts will be used during preliminary competition. In preliminaries, swimmers in the backstroke, medley relays, and 25 yard events should clear the pool immediately upon completion of the race. Swimmers in all other races should remain in the pool motionless next to the end wall and the lane ropes until the next race is started.

Swimmers in finals should report to the staging area which is located by the doors to the sauna next to the timing table to line up, march in, and be introduced prior to each event and heat.

All 8 and Under and 10 & under events will be swum as timed finals session scheduled between preliminaries and finals for 11 and over swimmers each day. They will have their own separate warm-up that will start immediately after the conclusion of the 1000 Free on Friday, 500 Free on Saturday and 1650 Free on Sunday. Awards for 8 and Under and 10 and Under events will be given each day during breaks between events in their timed finals sessions when deemed appropriate.

The 11 to 21 age groups will swim all events combined during preliminaries but will swim separately during finals and be scored and awarded separately as described in the 'Age Groups' Section. Exception: The 15-16 and 17-21 finals will be swum combined into two heats, but scored separately by age group. Empty lanes in the 15-21 events will be filled with non-scoring swimmers from the respective age group with more than seven swimmers qualified for the finals heat. These finals will only be seeded by time without respect to qualified or non-scoring swimmer's times. The non-scoring swimmers will not receive points for their swims even if they finish before a finals qualified swimmer. The non-scoring swimmers' times shall be shown with an X in front of the seed time and in the final results for these swims.

The 500-yard freestyle, 1000-yard freestyle, 400-yard IM, the 1650-yard freestyle, will be timed finals and will be swum during preliminaries, swimming the heats fastest to slowest, alternating between girls and boys events/heats.

Swimmers entering the 1650, 1000, and the 500 freestyle must supply a person to count laps and two timers.

Relays: 10 and Under relays will be swum as timed finals events in the 10 and Under sessions. 11 and Over relays will be swum as timed finals as the last event in finals each day.

See the Seeding section for additional information. Swimmers entered in the 500 Free, 1000 Free and 1650 Free must provide their own timers and counters. Positive check-in will be required for all swimmers in the three (3) distance free events listed above as well as the 400 IM event.

Any swimmers who must start in the water shall be listed in a separate document returned with the entries.

A qualifying time in 100 yard/meter of the backstroke, breaststroke, or butterfly for the 13-21 age group swimmers automatically qualifies the swimmer for the 50 yard/meter of the same stroke in the same course. The entry time will be the Montana Swimming Qualifying time for that course. Designate the swim as bonus in the On Line Meet (OME) entry file indicating that the 50 event is the bonus swim for the 100 qualifying swim if the swimmer does not have a qualifying time in the 50 event.

Altitude adjusted times will be accepted. OME will automatically complete this process for you. No time (NT) entries will not be accepted for any event.

Any time that is flagged in OME as not meeting the qualifying time standards will require proof of time for entry. Times must be proven through the SWIMS database. Swimmers with times that are not proven will be scratched from the event.

Only times achieved in a USA Swimming sanctioned or approved meets or at a USA Swimming sanctioned time trial or swims requested to be observed under authorization of USA Swimming rules at other meets (MHSA High School State Swimming Championships) can be used to qualify for this state meet.
