FACILITY: The Lake at Splash Montana located at 3001 Bancroft, is an 8-lane, 50-meter regulation outdoor long course pool equipped with non-turbulent lane lines. The pool is a state of the art 50-meter pool by Astral Pools. Spectrum Xcellerator starting blocks give swimmers the latest advantage in racing starts. Also, Spectrum backstroke wedges are available for backstroke events. Starts and timing are controlled by a Colorado System 6 console and touchpads. The pool is 6 feet deep at the west end and 4 feet deep east end. We have access to the 25-yard, 3 lanes area for warm-up and cool down before the park opens at 11:00 am, Friday, Saturday and Sunday. There also is a partial lane next to lane 8 for warm-up and cool down during preliminary heats. The competition course has not been certified in accordance with 104.2.2C(4).

Directions: From I-90, take Exit 104, Orange Street. Turn south onto Orange Street, drive approximately 1.4 miles, turn left on Beckwith (at the light), drive .2 miles and turn right on Brooks (at the light), drive .4 miles then turn left on Bancroft. Bancroft Street will be the 1st left-hand turn after the light at Mount and Brooks. When you are on Bancroft you will go through a four-way stop and pass Sentinel High School on your right. The pool will be on the right-hand side after the high school fields. **OVERNIGHT PARKING OR CAMPING IS NOT PERMITTED IN THIS PARK** but is permitted on the street next to the park.

If teams want to arrive early, we can arrange practice time in the 50-meter pool for your use at a nominal cost. Contact Jay Friend at 760-333-7382 or jayfriend@gmail.com.
