The Central California Swimming missed event policy is as follows: Swimmers who have not scratched from an individual event for preliminaries and are charged with a "no show" will be scratched from that event and their next preliminary or timed final individual event in the meet. Swimmers who are seeded into finals in an individual event and charged with a "no show" will be scratched from that event, any other individual finals events they are in that day, plus their first individual event on the next day. A swimmer who qualifies for finals and wishes to scratch his/her event must scratch or declare his/her intention to scratch within 30 minutes of the official announcement of the results for that event.

No deck entries will be allowed for any relay or individual events (all relays and individual events will be sent in the initial electronic entry process).

All USAS athlete members must be under the supervision of a USAS member coach during warm up, competition and warm-down. Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water.
