The pool is an eight lane, 25-yard regulation short course pool with nine 6" non-turbulent lane lines and Kiefer starting platforms. There is a separate warm-up cool down pool that will be available throughout the meet for coach supervised warm-ups.

MEET FORMAT

This is an age group, timed finals meet. Individual events will be swum as noted on the event list. This is a split session meet. There is no minimum waiting period between events.

In a meet sanctioned by both USA Swimming and USMS, all swimmers compete according to USA Swimming technical rules for individual strokes, relays, and the conduct and officiating of the competition with the exception that USMS regulations governing events, eligibility, protests of applicable rules, and meet results shall apply to USMS members. Otherwise, each organization's rules and administrative regulations apply to their members.

The meet will be pre-seeded except the 500 free will have a positive check-in required. However, the meet referee reserves the right to reseed events, as appropriate, based on scratches, meet timelines and other factors. If only a few swimmers are entered into an event, other events may be combined, seeded, and swum together without empty lanes between girls' and boys' events at the meet referee's discretion, but will be scored and awarded by gender and age group.

Swimmers in the 500 Free must provide their own timers and counters. The mixed 500 free will be seeded and swum fastest to slowest and will be scored and awarded by age group for both girls and boys.

Relays will be seeded and swum as girls, boys, and mixed open events. Mixed relay teams must be 2 women and 2 men only. Teams that want relay times entered the SWIMS database should turn in relay entry cards to the timing table prior to the event. The last event on Sunday will be the mystery fun relay and deck entries will be accepted.

Some events may have over the top starts.
