

2025 “AA” Qualifying Times for the Montana Age Group Zones

Qualifying Time Period: August 7, 2024 through the entry deadline (correlating with the meet contract)

Time Standards: The Montana Age Group Zones Championship Time Standards will be the 2024-2028 USA Swimming National Age Group Motivational Time Standards - “AA” combined Age Group Standards: 10&U, 11-12, 13-14 for both genders. The "AA" time must be in an event offered for the athletes age group.

"AA" qualified swimmers will be entered into events using our LSC bonus swims.

Each LSC is limited to 160 bonus swims (and just one bonus in the races 400 meters and above).

Swimmers with "AAA" times have the priority in age division events including bonuses and they will be entered in 6 races.

If we exceed 160 bonus swims, then swimmers with "AA" times will be entered in 5 races each.

Coaches will enter as many relays as possible to give swimmers extra swims.

As of May 24, 2025, the following events are offered at Age Group Zones and the “AA” time standards are:
