

Initial Distance Split or Lead Off Relay Split Request Form

Swimmer Name: _____ Club: _____

Requested By: _____ Date: _____ Meet: _____

Event Name: _____ Event #: _____ Heat: _____ Lane: _____

Initial distance/ stroke requested: _____

Watch 1: _____ Watch 2: _____ Watch 3: _____ Pad: _____ Button: _____

If multiple splits are requested (from one event or several), list the initial distances splits requested, event/heat/lane and watch times for each split distance below. Admin will add pad and button times.

Initial Distance, Stroke and Event/Heat/Lane	Watch 1	Watch 2	Watch 3	Pad Time (Admin)	Button Time (Admin)

Referee Instructions:

- A minimum of two timers (three preferred) must be furnished by the requesting swimmer or team. Times from the primary timing system will be taken, if valid. Assigned lane timers may not perform this task.
- The official time is the pad time. The watches are used as back-ups.
- Split time requests must be submitted to the referee prior to the event.
- If the split request is needed in a backstroke event, the swimmer must finish the initial distance on their back. The stroke and turn official observing the lane must confirm it was a legal backstroke finish.
- The swimmer must complete the full distance of the event and not be disqualified for the split time to be valid.
- The official split time will be entered in the meet database in a new event created by the referee, admin referee, or AO.
