Directions: Look up Hy-Tek Power Points for the best times for your swimmer on the USA Swimming web site.

Choose the five highest scoring events, and place the power points for each event in the appropriate cell.

Total the five events to determine the athlete's Montana Swimming Athlete of the Year score.

All five entries must be different events. Indicate either long course or short course, but not both for any given event.

Do not use "traditional" age group power points as defined by USA Swimming.

Attach printouts of the USAS web site Hy-Tek scoring for the five events.
