

AAAA Fundraising Fee

Each swimmer is responsible for a \$200 fundraising fee. This fee can be paid in multiple ways. These fees go to the Ad Astra Booster Association. This is a non-for-profit organization and donations/payments are tax deductible. These fees help offset pool rent, social activity expenses, prizes, swimmer apparel and meet supplies.

How can I pay my fee:

1. Donated from an outside source or sponsor.
2. Broken up into 2 payments, 4 payments or 8 payments.
3. One-time payment at registration
