

Mission Statement

The Fort Leavenworth Lancer Swim Team provides inspired leadership and efficient administration enabling each Lancer to swim to their greatest potential and maximize their enjoyment of the sport while in a safe and supportive environment.

Vision

The Lancers are a USA Swimming competitive swim team with a focus on stroke proficiency and conditioning in a safe, supportive, and learning focused environment that challenge and encourages each swimmer while keeping them safe.

The swim team at Ft Leavenworth accepts all children who can meet the basic requirements for the development group (Bronze). There is no age requirement. Swimmers will compete by their age/sex and ABC time classification. The Lancers are a year-round swim team in the Missouri Valley League.

The skill, sportsmanship and work ethic your swimmer will learn is an opportunity they should not miss!
