

Celebrating our 60th year, the Manhattan Marlins Swim Team is looking for sponsors to support our year-round swimming program.

The purpose of the Manhattan Marlins Swim Team is to offer area youth the chance to develop and enhance their swimming abilities, learn the importance of teamwork and sportsmanship, and enable them to participate in a sport they love.

The closing of the Kansas State University Natatorium in 2020, which was the Marlins' home pool for decades, put our team in a very difficult position. Our dedicated swimmers and their families now practice at the Genesis Health Club and City Park Pool. The Marlins Swim Team is very appreciative of these facilities, but they come with added cost to our team and swim families. We ask you to contribute some level of support should you or your organization have the capacity to do so. This season, we are looking for sponsors who will be recognized throughout the swim season and long after. Sponsorships offer different promotion and advertising opportunities at various levels.

Our sponsors can be recognized on our team website, swim meets, and t-shirts. This includes any marketing, promotional or collateral information. While we understand businesses and community members are often asked to support many causes, we would like to ask you to consider how you can support this year-round sports organization dedicated to promoting a healthy lifestyle through the sport of swimming.

Thanks for your time and sponsorship!
