

JCYMCA Swim Team Volunteer Policy

JCYMCA Swim Team

Volunteer Policy

Parent Volunteer Expectations:

We expect parents to volunteer at any meet at which your child swims at home or away. Even if your child chooses not to swim in meets during a swim season, it is still required that **every** family volunteer for all home meets during the season your child trains with the team. The seasons are:

- Short Course season from September – April
- Long Course season from April – August
- Summer Mid MO season from May – July

It is also expected that every family will participate in any fundraising event created to financially benefit the JCAY Swim Team. The funds raised at these events directly impact on the team and your swimmer.

The Swim Team hosts at least one home swim meet a year. Swim meets are extremely labor-intensive and require every family to contribute to make it a success. Swim meets are our largest
