The Aquatic Club of Elkhorn is dedicated to developing swimmers to achieve their highest potential both as athlete and people. In a competitive swim environment, we promote growth of mind, body, and character to swimmers of all levels through high-quality and consistent coaching and family engagement in a safe environment.

Through a shared love of sport and team spirit, and we will demonstrate and nurture our core values of Integrity, Passion, Sportsmanship and the Pursuit of Excellence. Our success is defined by "Building Champions" in and out of the pool for life.

Our student-athletes practice year-round at Elkhorn Common Ground Community Center. These young people dedicate between 3 to 21 hours per week on improving their stroke technique, endurance and overall physical health, both in and out of the pool based upon their developmental level.

Your support of our program helps us to offer top-notch training, coaching and facilities for families at a reasonable cost. This helps us achieve

our mission of keeping the sport of competitive swimming financially

in-reach for any family who wants to be a part of our program.
