# Parent Code of Conduct

The purpose of a code of conduct for parents is to establish consistent expectations for behavior by parents. As a parent/guardian, I understand the important growth and developmental support that my child's participation fosters. I also understand that it is essential to provide the coaching staff with respect and the authority to coach the team. I agree with the following statements:

- Parents will set the right example for our children by demonstrating sportsmanship and showing respect and common courtesy at all times to the team members, coaches, competitors, officials, parents, and all facilities.
- Parents will get involved by volunteering, observing practices, cheering at meets, and talking with their child and their coach about their progress.
- Parents will refrain from coaching their child from the stands during practices or meets.
- Parents understand that criticizing, name-calling, use of abusive language or gestures directed toward coaches, officials, volunteers, swimmers, parents, or members of the board of directors will not be tolerated.
- Parents will respect the integrity of the officials.
- Parents will direct my concerns to first to my child's primary coach then, if not satisfied, to the head coach or board of directors.
- Parents will adhere to all policies implemented by SCSC, Midwestern Swimming, and USA Swimming. These include, but are not limited to the MAAPP policies found on the Safe Sport page of the SCSC website.
