

SARPY COUNTY SWIM CLUB

Swimmer Code of Conduct

Sarpy County Swim Club members and parents are expected to exhibit appropriate behavior always in both formal and informal settings. This includes, but not limited to, practices, during meets, in the bullpen, in the locker rooms, and at all team activities.

1. Swimmers are expected to follow the direction of the coaching staff. At no time will disrespectful attitudes, inappropriate language (swearing or derogatory comments) or lying be tolerated toward the coaching staff, fellow teammates, competitors, meet officials, or the public. The coaching staff has the discretion to ask swimmers to leave workout or impose other disciplinary actions.
2. Swimmers must display proper respect for swim facilities, equipment, persons, and person's personal property. Vandalism or destruction of facility and/or personal property during swim practice, swim meets and/or other team activities will result in disciplinary action.
3. Swimmers are expected to refrain from alcohol, tobacco or any non-prescribed drug while participating in any team functions, including swim practice, swim meets and/or any social functions.
4. Swimmers will NOT use cell phones or other electronic recording devices in the locker rooms/changing areas at the high school and/or other practice and/or meet locations.
5. Swimmers will adhere to the USA Swimming Safe Sport Policies & Procedures posted on the team website.

As a member of the Sarpy County Swim Club, swimmers will remember that everything they do reflects their team, it's coaches, and members, and that their actions either credit or discredit their team, its coaches and members at all times. Thus, they will conduct themselves in a sportsmanlike manner always to better both the team and themselves.
