Board of Directors

General Mission

All members of the Board of Directors serve as a team for the purpose of developing and implementing the best programming and providing optimum service for the members of MWS. MWS is organized into seven divisions: administrative, age group, senior, technical, finance, athletes, and coaches. Cooperation is essential for good governance. Division heads and committee chairs should always remember that it is best to involve others in the fulfillment of their respective responsibilities. This lightens the burden of the officer, trains future leaders, and enhances the program through the introduction of fresh ideas and additional perspectives. When appointing anyone to head up a task, it is essential to define the task, state deadlines and expectations, provide necessary background information, state any guidelines or parameters, and provide a budget. Do not abandon any committee or task force – monitor their progress and provide support as needed. Do not be shy about thanking anyone for helping – verbal and written thank you and acknowledgement goes a long way towards maintaining a solid and active volunteer base.

STATEMENT OF PRINCIPLES ON ETHICAL BEHAVIOR AND CONFLICT OF INTEREST

Those who choose to serve Midwestern Swimming, whether as volunteers or paid professionals, are held to a high standard of conduct. Those who serve must do so without personal gain in order to avoid any institutional loss or embarrassment and to behave in such a way that the organization's trust and public confidence are enhanced. It is important to avoid any real or perceived conflict of interest.

While no set of guidelines can completely define acceptable behavior, the principles that guide behavior in this area, is disclosure, non-participation in the decision making process where personal or family gain is a possibility, and a commitment to honor the confidentiality of organizational information. All conduct is founded on the individual's own sense of integrity. Any individual accepting the honor of serving Midwestern Swimming must accept the burdens of public disclosure and public scrutiny.

In our complex society, the mix of volunteer work, business interests, governmental activity, and family relationships often creates potentially conflicting interests. What is required is disclosure of potential conflicting interests when they arise, and strict nonparticipation in any evaluation process relating to the matter in question.

The following seven items reflect specific expectations by MWS of people signing this agreement. These items cannot and do not however completely define what is acceptable. They are intended rather as guidelines and not a precise road map to what is acceptable conduct. Each individual must find his or her own way within this guidance.

1. A good faith effort must be exercised by those signing this statement to conduct the business of Midwestern Swimming in observance of both the spirit and letter of applicable federal and state laws.
2. Midwestern Swimming properties, services, opportunities, authority and influence are not to be used for private benefit.
3. All individuals who participate with Midwestern Swimming will disclose the nature and extent of an actual or potential conflict of interest when it occurs in the evaluation of an issue and will avoid evaluating or voting on the matter involved. This includes the award of contracts, the purchase of goods and services, the award of contracts for professional services, and the allocation of Midwestern Swimming resources for individual use.
4. Gifts, cash, travel, hotel accommodations, entertainment, or favors are neither to be given (except with full approval of the Board of Directors) nor received, except those of nominal value exchanged in the normal course of business. Gifts and favors of more than one hundred dollars (\$100.00) value should not ordinarily be accepted. If circumstances render it awkward to refuse such a gift, the donor should be thanked and told the gift is being accepted on behalf of and will be delivered to Midwestern Swimming.
5. Expenses incurred in the furtherance of Midwestern Swimming business are to be reasonable, necessary and (if twenty-five dollars or more) substantiated.
6. All are expected to exhibit honesty, loyalty, candor and professional competence in their relationships with Midwestern Swimming and with each other.
7. Each individual has the responsibility to maintain the confidentiality of the organization. This includes both proprietary and sensitive information.

MWS COPPA POLICY

The Children's Online Privacy Protection Act, effective April 21, 2000, applies to the online collection of personal information from children under 13. The new rules spell out what a Web site operator must include in a privacy policy, when and how to seek verifiable consent from a parent and what responsibilities an operator has to protect children's privacy and safety online.

The Children's Online Privacy Protection Act and Rule apply to individually identifiable information about a child that is collected online, such as full name, home address, email address, telephone number or any other information that would allow someone to identify or contact the child. The Act and Rule also cover other types of information -- for example, hobbies, interests and information collected through cookies or other types of tracking mechanisms -- when they are tied to individually identifiable information.

Midwestern Swimming (MWS) adheres to the Children's Online Privacy Protection Act (COPPA) through the following web site policy:

- Limited advertising is permitted on the MWS web site, subject to General Chair and Board approval
- There is no collection of personal information on the MWS web site (other than registration for All Star and Zone teams through the secure Team Unify registration site) which includes full name, home address, email address, telephone number or any other information that would allow someone to identify or contact the child.

CRITERIA FOR OUTREACH MEMBERSHIP AND POLICY FOR MEET FEES FOR OUTREACH ATHLETES

Outreach Athlete membership is available to qualified athletes in accordance with USA Swimming guidelines. The purpose is to make year-round membership available to athletes who might otherwise not be able to afford the standard athlete membership fee. If the athlete participates in a reduced or free school lunch program and can provide documentation to Midwestern Swimming, the USA Swimming/Midwestern Swimming athlete membership becomes \$5.00. Documentation is as simple as a one-page form on the school's letterhead indicating that the athlete member is on a free or reduced lunch program.

- Meet event entry fees, splash fees, and facility fees for Outreach athletes will be twenty five percent (25%) of the published fees of any USA Swimming sanctioned competition regardless of the host LSC. Reduced relay event fees and fees for events entered but not swum will not be allowed.
- Only year-round USA Swimming Outreach athletes will be eligible for reduced swim meet fees.
- Entering club will file with the MW Office within 21 days of meet conclusion a request for reimbursement of the 75% for splash fees and entry fees for events swum. The MW Office will verify the qualification of the swimmer, the number of swims, and the fees to be reimbursed. Form will be forwarded to the Treasurer (without names of qualified individuals) for reimbursement to requesting club. Current form is an online GoogleForm.

OBSERVATION OF HIGH SCHOOL MEETS

MW observers will observe all swims (blanket observation) at the Nebraska High School Conference meets and the State High School Meet. Other HS Invitationals may be observed if requested and USA Swimming guidelines for observation are honored.

Observers shall serve in a volunteer capacity for the meets. All swims shall be observed. USA Swimming disqualifications shall be sent to the MWS Office. A back-up of the meet shall be sent to the MWS Office. Times for all valid swims will be entered in the MWS Top Times database and in the USA SWIMS database, providing the swimmer is registered at the time of the swim. The MWS Office will oversee the input of required USA data in order to expedite loading of the times into SWIMS. No splash fee will be assessed for this service.

MW will use times from observed Iowa High School meets for MW databases and will integrate as best as possible.
