

# AQUA IMX Challenge

October 16th, 2021

Aquaventure Aquatic Campus

214 A-Beacon Dr, Winterville, NC

| Session | Day      | Arrival  | Warm-Up | Meet Start | Age Group |
|---------|----------|----------|---------|------------|-----------|
| 1       | Saturday | 12:45 PM | 1:00 PM | 2:00 PM    | All       |

- **Parking:** We have a large outdoor area behind our facility where families can park, set up tents, chairs, etc. It creates a great "tailgate" atmosphere and allows the swimmers and families to mix and mingle.

- **COVID Protocols:** As a precaution, we will require masks while inside the facility on Saturday. This includes coaches, staff, officials, volunteers, spectators, and swimmers.

Masks are not required outside the facility. There are wall hooks behind each lane where swimmers can hang their masks. In order to prevent crowding behind the blocks, we will utilize a staging area on the far side of the dive tank.

Swimmers will report there for their events and will be placed in lane order. As one event is competing we will pre-load the next event behind the blocks. At no time should there be more than one event behind the blocks.

Swimmers that report directly to the blocks for their event will be sent to the staging area, so please review this procedure with them.
