

After much consideration, discussion and thought, Fun 2B Fit & Legacy Elite Gymnastics has decided to do our part to try and reduce the spread of COVID-19. This is a fluid situation and it is difficult to know what is the best thing to do from moment to moment, but we do know that our families are most important. We want to protect our athletes and their families to the best of our abilities and we encourage all of our families to practice all safe social distancing to keep themselves healthy at this time.

Starting Tuesday, March 17th, we will be closed for 2 weeks (taking into consideration, CDC, USAG, and county and state guidelines) and will continue to reevaluate (Friday, March 27th) as more information becomes available. We will be using the week of March 23-27th as our spring break to help accommodate with some missed classes. Because the month of April is a 5 week month for classes we have an additional week to work with as well because our tuition schedule is based on a 4 week month. We will also be offering FREE open-gyms to accommodate missed classes as we head into the months of April & May.

*We value our families and appreciate your support during these challenging times.*

Sincerely,

F2BF / Legacy Management
