Finding a Swim Meet

To find a swim meet:

- Type the name of the desired meet in the **Search Bar**.
 - If it shares a name with a previous meet, scroll until you find the desired meet.
- Look below the search bar and use one of viewing options:
 - **Last Viewed** - For meets you have previously viewed.
 - **Near Me** - Detects any meet using Meet Mobile within a 100 mile radius, you may have to scroll to find it.
 - **My Favorites** - Meets you have personally favorited.
- After finding the meet, select it to view information, results, events, etc.

Finding a Swimmer

To find a swimmer you can:

- Search the swimmers name in the main **Search Bar**.
 - There may be multiple swimmers with the same name, or even multiple entries of a swimmer in the Meet Mobile database. Scroll until you find the current iteration.
- Select the meet the swimmer is participating in.
 - Once you've selected the meet, click on Swimmers or Teams
 - **Swimmers** - Select the gender category and type in the swimmers name, or scroll
 - **Favoriting a Swimmer** - Select the empty star next to the swimmer's name. If it is gold, you have favorited that swimmer and can receive notifications for times during meets.
 - **Teams** - Scroll or use the Search Bar to find your desired team.
 - **Favoriting a Team** - Select the triangular banner with the star inside it. When the banner turns gold, with the star whited out, you have favorited the team and can receive updates about that team during meets.

Finding Event Results

To find specific results if you are not getting popup notifications:

- Search for, and select your desired meet.
 - Select **Events**:
 - Select the corresponding **Day/Session** of that event.
 - Scroll until you find your desired sessionSearch for your swimmer/team.
 - Select **Swimmers**:
 - Select the swimmer to view all of the events they will be in during the meet.
 - Select each event to view the swimmer's time, place, etc.
 - Select **Teams**:
 - Select a swimmer to view all of the events they will be in during the meet.
 - Select each event to view the swimmer's time, place, etc.
