

Competition Apparel Policies 2025-2026

SwimMAC is a program full of rich traditions, culture & excellence. We expect our athletes to take pride in wearing the blue & orange to honor their teammates and those that came before them. From the time they arrive at the pool, to when they leave, they should always be in their SwimMAC team gear – including the designated team suit, navy team cap (unless otherwise specified) & team t-shirt of the day. Different meets will require different apparel depending on the level & timing of the meet each season

SwimMAC is a Speedo team, and our swimmers are not to be wearing any other apparel that bears the logo or insignia of another company for competitions.

In Season Competitions
