Poinsettia Sales

Each October, MOR offers poinsettia plants for sale for the holiday season. The plants range in price between \$10-22 each. Orders are due in early November and plants are delivered December 1 for pick-up.

Credit = \$3 or \$4 per plant

Concession Operations

- ⊗ **PNC Arena**

MOR families operate a concession stand at the PNC Arena during hockey, NCSU basketball, concerts and other events. Those working at the PNC Arena must have ALE training in order to work at events selling alcohol. In addition, each worker must purchase a black visor and will receive an apron to use during the event. Events on average require five hours for each volunteer.
