## Mission and Vision

### **Mission Statement:**

To provide a safe, healthy, positive environment that fosters good sportsmanship, teamwork, and leadership for all ages and abilities

### **Vision Statement:**

To give each athlete the opportunity to excel, the confidence to succeed and the chance to swim in college.

We are more than just a swim team. Our organization is a place where swimming is the medium through which swimmers are molded, friendships are fostered, character is nurtured and dreams come true.
