

2023-2024 STAR AQUATICS PRICING BY GROUP & SITE

STAR Aquatics is structured to provide an affordable swimming option for swimmers of all levels. We have fixed rates for our groups designed around more competitive swimmers, which allow them to come as often as possible within their group structure. For newer swimmers or those who like to participate in other sports and activities, our variable rates are based on the number of days a week a swimmer plans to swim. For these groups you have the flexibility to adjust your days as needed based on changes in your schedule.
