TYDE is a long-term athlete development program committed to supporting each swimmer's physical, emotional, and character growth. Instead of focusing on short term results, we emphasize proper skill development, training habits, and personal progress, helping young athletes thrive in and out of the pool

Progressive Group Structure:

- **Pre-Competitive** - for swimmers who are learning the four strokes and developing foundational technique.
- **Jr. Competitive** - Designed for Athletes 12 & under, focusing on coordination, technique refinement, and learning how to train.
- **Sr. Competitive** - For swimmers 13 and older, this group builds on advanced technique while introducing structured conditioning to support physical development.
