

2022-2023 Parental Responsibilities and Requirements

Oct 2022

The success of the Minot Swim Club depends not only on the participating swimmers, but also active participation of the parents. Fundraising is an integral source of income for the Minot Swim Club and enables the club to keep swimming fees at a minimum. It is expected that all families participate in fundraising activities throughout the swimming season. The following are basic guidelines established by the Minot Swim Club Board of Directors:

1. **Registration and Insurance Fees:** Swimmers may not participate in swimming practice until registration and insurance fees are paid.

3. **Swim Meets:** A parent (s) will work at least one shift per day at each Minot Swim Meet that they have a swimmer participating. Shifts may include timing, concessions, ribbon preparation, officiating or merchandise sales. Families will also be asked to donate items for the concession stand. Volunteers are needed for each of these areas to ensure a successful meet. **Any family that has a swimmer participating in a swim meet and does not volunteer at a swim meet will be assessed a \$250 fee per swim meet.** The swim meets located in Minot are:

November 20, 2022

December 17, 2022

January 28-29, 2023

February 12, 2023
