Old Business: None

New Business:

1. Budget and fee increase: Carol handed out a sheet summarizing the 2011 budget. She explained that in the past the club has held large meets (State and Zones) which have helped to fund our club and allowed us to operate with a deficit each year. These meets will not happen as often in the future so as a result, we have had to increase fees and look for other sources of income, such as fund raisers. Fees this year have increased \$5.00 per month. The multi-swimmer discount has decreased from \$15 per additional swimmer to \$10 per additional swimmer.
2. Team Suit: Discussion was held on whether to make the team suit mandatory and to have a mandatory team shirt. A show of hands indicated that 90% of those in attendance would be in favor of making the team suit mandatory. About 60 % were in favor of a mandatory team shirt. The board will take this information into consideration and come up with a policy. The team suit will be posted in the team store on the website soon.
3. Election of Officers: There will be an election for the positions of President and Vice President at the November Parent meeting. Rich Mosher has volunteered to run for President and Tom Behm for Vice President. If anyone is interested in running for these positions, please contact a board member and we will pass on the information to the general membership.

Meeting was adjourned at 7:50 pm
