Welcome to the team!

Now that you're a Bluefish, you may have some questions.

Included in this packet are answers to some Frequently Asked Questions.

We hope you find them helpful.

Still have more questions? Visit our website, <u>www.bluefishswimclub.com</u>, our parents and coaches will be happy to help with any questions, comments or concerns you may have.

You'll also find some helpful information in this packet about our Boosters organization (Bluefish Boosters, Inc.), as well as our current fundraising efforts. Take a moment to read through the information to see how you can get involved and help further enrich the swimming experience of your student athlete(s).

Enjoy!

Who are the Bluefish?

The Bluefish Swim Club is a developmental swim program that strives to develop swimmers from entry level competitors into senior elite athletes. The Bluefish Swim Club offers:

- Learn To Swim Programs (both group and private lessons) beginning at 12 months of age
- A Competitive Swim Team open to those who have mastered the strokes of Freestyle, Backstroke, Breaststroke and Butterfly and are ready to make a commitment to swimming as a sport
- A Masters Level Swim Program open to those 19 years of age or older who benefit from coached workouts, whether or not they choose to compete.

Where do we train?

The Bluefish have five main training facilities, with a sixth site during the spring/summer months. Program offerings vary by location.

Attleboro High School

108 Rathbun Willard Drive Attleboro, MA 02703

Website Information

Bluefish Swim Club (www.bluefishswimclub.com)

You will find an endless amount of information about the Bluefish Swim Club, Bluefish Friends and Fans and related activities. All calendar and meet information, email archives, fundraising information, newsletters, etc. will be found here. Please visit the site frequently.

New England Swimming (<u>www.neswim.com</u>)

The New England Swimming website has information for Parents under the "Parents" tab under the main menu. Here you will find nutritional information, suggestions from area coaches on how to approach the sport, and the code of conduct. It also has information regarding all meets hosted within the New England LSC (local swimming club) and much more. The New England LSC is composed of all the New England states with the exception of Connecticut.

USA Swimming (<u>www.usaswimming.org</u>)

The USA Swimming Website also has a wealth of information that all swimmers, and their families can appreciate. You can log on to this site and click on "Member Resources" tab to find information on training, growth and development, nutrition, sports medicine, times and recognition and MORE!

Team Uniform & Equipment Bag Policies

We have an online team store available with Metro Swim Shop.

Please visit the website today and set up your account.

We will have two designated team ordering deadlines throughout the year (at the beginning of each short and long course seasons). If your order is placed within these deadlines, you will not be responsible for the shipping charges. You will be responsible for shipping charges should you decide to place an order at any other time.

Please call Metro Swim Shop with any questions you might have.

Team Vendor: Metro Swim Shop

DETAILED INFORMATION AND ORDERING INSTRUCTIONS CAN BE FOUND ON THE BLUEFISH WEBSITE UNDER: TEAM INFO - UNIFORM POLICY

Bluefish Boosters, Inc.

As you know, The Bluefish Swim Club is a developmental program that strives to develop swimmers from entry-level competitors into senior elite athletes. This requires a tremendous amount of time, work and dedication not only from our coaching staff, but from our swimmers as well.

Due to the dedication and commitment our children have made to the sport of swimming, it is critical that a support network be in place to foster the continued success of the Bluefish Swim Club program and to allow our athletes the best possible opportunities throughout their swimming careers.

The Bluefish are fortunate enough to have such an organization in place to provide the support needed for success. The <u>Bluefish Boosters</u> is a 501(c) (3) non-profit tax exempt organization. The Bluefish Boosters is dedicated to promoting an atmosphere that encourages team spirit, supports student athletes, coaches, parents and the local community. The bluefish Boosters provides a support network for swimmers by raising funds to sponsor community programs, team activities and travel.

In order to maximize success, we need your help. We need involvement from as many Bluefish families as possible. Bluefish Booster meetings are held on a regular basis, meeting dates are posted on the team website and email notifications are sent through the team email system. Meetings occur throughout the year and present an opportunity to foster communication between parents, swimmers and coaches. It is a vehicle that can be used to influence and accentuate your child's swimming experience as well as promote the sport of swimming in the area.

Join us at our next Booster Meeting. Thanks for any help you can offer and welcome to the team!

Sincerely,

Bluefish Booster Board

Bluefish Boosters Committees and Structure

BOARD OF DIRECTORS

Every year, the composition of the Board of Directors changes with new volunteers bringing energy and a new point of view.

COMMITTEES

We categorized the committees under four directorships:

Director of Community & Social Involvement:

Community and Social Involvement plans and executes community and social events.

- Social Events - Community Involvement - Learn to Swim Program

Director of Fundraising:

The fundraising Committee coordinates efforts to raise funds and obtain event sponsors to support our Bluefish swimmers and local community programs.

- Fundraising – Swim-a-Thon - Aquatics Center - Road Races

Director of Meet Management:

Meet Management plans and facilitate all pre and post meet functions; this includes setup and breakdown, concessions, hospitality, and volunteer coordination/training.

- Concessions - Hospitality - Deck Management

Director of Operations:

Operations facilitates information flow between the Boosters and the greater Bluefish community. Assure that Bluefish Booster members receive timely and accurate information, assure Bluefish Booster materials available via internet are informative and accurate.

- Communications - Social Media - Information Technology

The committees cannot function without the help of our parent volunteers. Please offer to help by completing a committee selection form today. We can always find a spot for new volunteers.

CALENDAR

Please check the team website for a calendar of open meeting dates.

Bluefish Boosters Contacts

Who can I contact for additional information or with questions?

You should always feel free to speak to your swimmer's coach. You might also find it helpful to speak with any Bluefish parent about any questions you may have. In addition, the **Bluefish Boosters Board of Directors** is a great resource for any questions you may have. You can find lots of information on the Booster's website at bluefishboosters.org or you can send an email to: contact.bluefishboosters@gmail.com. You can also find a listing of the current board of directors at directors.bluefishboosters.org (TeamUnify login required).

Bluefish Swim Club Enrichment Requirement

It is required that each family contributes by raising or donating funds to our Bluefish Boosters. The amount per family is determined by the highest training level within your family. Funds will be allocated to each training group. This is an annual obligation.

- Mini Bluefish \$100 - Junior 1, 1.5 & 2 \$150 - Senior/Elite \$200

Options are available to assist families in reaching their monetary goal. The following programs are available through the Bluefish Boosters organization.

1. Sale of Meet Sponsorship Ads

This can be accomplished by any combination of the following: (For directions on how to sell the advertising please download the Meet Program Solicitation document available in the Members Area of the website).

- Good luck lines \$10 each Business Card ad \$50 1/4 page ad \$75
- ½ page ad \$100 Full page ad \$200

2. eScrip

Net funds raised through eScrip will get credited towards your family financial goal. (Not monies spent but percentage donated to Bluefish Boosters organization)

3. GoodSearch.com

A Yahoo-powered search engine that donates half its advertising revenue, to the charities its users designate. You use it just as you would any search engine, get quality search results from Yahoo, and watch the donations add up!

4. Goodshop

When you shop online at your favorite stores, the Bluefish Swim Club can receive a donation of up to 37 percent of each purchase! Hundreds of great stores including Amazon, Target, Gap, Best Buy, ebay, Macy's, Barnes & Noble, Old Navy, and Toys R Us have teamed up with GoodShop. Every time you place an order through the Good Shop store, you'll be supporting Bluefish!

5. Amazon Smile

The Bluefish Boosters is registered with Amazon Smile. When making purchases online with Amazon, visit smile.amazon.com and search for *Bluefish Boosters Inc.* A portion of your purchase will be donated to the boosters organization.

6. Swim-a-Thon

Bluefish will host a Swim-a-Thon. Swim-a-Thon is a USA Swimming sanctioned fundraiser where participants earn money for their team by swimming lengths of the pool for a period of two hours. Swimmers can collect pledges per lap from family, friends and businesses. For example, if you receive a pledge for .10 cents a lap and you swim 200 laps, the swimmer would collect \$20. The details:

- Each swimmer is required to raise a minimum of \$50
- All funds raised over \$50 will be applied to your annual family fundraising obligation.

Additional Options may become available throughout the season! You will receive notification via e-mail or website!

What happens if I don't fulfill my financial obligations?

Families that don't meet the above financial obligations will not be eligible to receive Bluefish Boosters travel assistance, gifts, or participate in any group activity sponsored by Bluefish Boosters.

Information to help you Understand Swimming

What is Short Course? What is Long Course?

The sport of swimming is divided into two seasons. Generally speaking, during the Short Course season, meets are typically held in a 25 yard pool (SCY). During the Long Course season, meets are typically held in a 50 meter pool (LCM). The short course season begins in September and runs through the beginning of March. Long Course begins when short course ends and runs through mid-August. Each season has its respective Championships that swimmers must qualify for in order to compete.

What are Regionals? What are Age Groups?

When a coach refers to either a Regional or Age Group "cut", they are talking about a time standard that has been set by New England Swimming for a particular event (see time standard section of packet). Qualifying for end of season championship events depends of whether or not your swimmer has achieved this time standard. New England Regional Short Course Championship meets are held in February and signify the closing of the Short Course season. Teams are assigned to one of 5 venues in New England where they compete. This year, New England Swimming is introducing Long Course Regional Championships. Your child would compete in whichever events he/she has achieved the appropriate "cut". Age Group Championships represent the next level of championship meet and hold swimmers to a faster "cut" time than that of a regional championship meet. New England swimming selects one venue to host this championship meet. Age Group Championships are held in February, at the end of the short course season and in July, at the end of the long course season. Swimmers who qualify for these meets also have the ability to qualify for further championship meets as they age up and progress as a swimmer.

Do we run meets? Why?

The Bluefish host approximately 4-8 meets during the year. We run meets to help offset the cost of running a team and to help keep our fees as low as possible. Pool time cost is significant. Each meet we run generates income from admission, program sales and swimmer entry fees. Once meet expenses are paid, we are able to use this money to help with the expenses in running the team. If we didn't run meets, we would be paying for these costs in the form of increased membership fees.

Parent volunteers are essential to the Bluefish being able to run a successful meet. Running organized and profitable meets are critical to the fundraising efforts for the Bluefish. Parents are required to volunteer during home meets. The number of sessions will be determined prior to the meet. You will have the opportunity to select a job by using our volunteer management software through the team website. You will be expected to stay the length of the session in which your child is swimming. If you do not fulfill your work obligation you will be billed a \$150 fine, unless you make other arrangements to volunteer in some other capacity prior to the meet. In the event you cannot fulfill your work obligation, please contact Christie Batchelor prior to the meet to discuss an alternate volunteer assignment. Please see our complete volunteer policy in your registration packet.

I've never been to a meet before.....what should I bring?

Swim meets are a great way to showcase both our swimmer's and coaches hard work throughout the year. They're also a lot of fun! Being well prepared for each meet will make the event a positive experience. The following is a list of items that our coaches and experienced swim parents suggest you bring/pack.

EQUIPMENT AND CLOTHES:

- Swim bag
- Goggles (back up goggles)
- Cap (back up cap)
- Team racing swims suit (backup swim suit)
- Sandals, water shoes or Crocs
- Towels (be sure to pack more than one)
- Plastic bag for all wet stuff
- Bluefish jacket and pants
- Sweatpants/sweatshirt/t-shirt to wear during the meet
- Clothes and shoes/sneakers to wear at the end of the meet
- Head towel/hat
- Soap/Shampoo

FOOD/DRINK

- Good Ideas: power bars, carrots, hard boiled eggs, peanut butter crackers, fruit, dry cereal (Shredded Wheat, Cheerios), bagel, turkey
- Water bottle, Gatorade/sports drink

EXTRAS/MISCELLANEOUS

- Books to read
- IPOD
- Camera
- Video Camera
- Fold up chair
- Race schedule
- Pen to mark your hand with race numbers

Parent Education Resources

- "THE REAL CONTEST IS ALWAYS BETWEEN WHAT YOU'VE DONE AND WHAT YOU'RE CAPABLE OF DOING. YOU MEASURE YOURSELF AGAINST YOURSELF AND NOBODY ELSE." ~ Geoffrey Gaberino, Olympic Gold Medalist Swimming
- A champion views competitors as partners who provide challenge and the chance to improve.
- A champion understands performances are like a roller coaster, with many ups and downs, and that you have to accept both the good and the bad.
- A champion enjoys sport for the simple pleasures it provides.
- A champion has vision. A champion dreams of things that haven't been and believes they are possible. A champion says "I can."

10 Commandments for Swimming Parents

By Rose Snyder, Managing Director Coaching Division, USOC Former Director of Club Services, USA Swimming

I. Thou shalt not impose thy ambitions on thy child.

Remember that swimming is your child's activity. Improvements and progress occur at different rates for each individual. Don't judge your child's progress based on the performance of other athletes and don't push him based on what you think he should be doing. The nice thing about swimming is every person can strive to do his personal best and benefit from the process of competitive swimming.

II. Thou shalt be supportive no matter what.

There is only one question to ask your child after a practice or a competition - "Did you have fun?" If meets and practices are not fun, your child should not be forced to participate.

III. Thou shalt not coach thy child.

You are involved in one of the few youth sports programs that offers professional coaching. Do not undermine the professional coach by trying to coach your child on the side. Your job is to provide love and support. The coach is responsible for the technical part of the job. You should not offer advice on technique or race strategy. Never pay your child for a performance. This will only serve to confuse your child concerning the reasons to strive for excellence and weaken the swimmer/coach bond.

IV. Thou shalt only have positive things to say at a swimming meet.

You should be encouraging and never criticize your child or the coach. Both of them know when mistakes have been made. Remember "yelling at" is not the same as "cheering for".

V. Thou shalt acknowledge thy child's fears.

New experiences can be stressful situations. It is totally appropriate for your child to be scared. Don't yell or belittle, just assure your child that the coach would not have suggested the event or meet if your child was not ready. Remember your job is to love and support your child through all of the swimming experience.

VI. Thou shalt not criticize the officials.

Please don't criticize those who are doing the best they can in purely voluntary positions.

VII. Honor thy child's coach.

The bond between coach and swimmer is special. It contributes to your child's success as well as fun. Do not criticize the coach in the presence of your child.

VIII. Thou shalt be loyal and supportive of thy team.

It is not wise for parents to take swimmers and to jump from team to team. The water isn't necessarily bluer in another team's pool. Every team has its own internal problems, even teams that build champions. Children who switch from team to team find that it can be a difficult emotional experience. Often swimmers who do switch teams don't do better than they did before they sought the bluer water.

IX. Thy child shalt have goals besides winning.

Most successful swimmers have learned to focus on the process and not the outcome. Giving an honest effort regardless of what the outcome is, is much more important than winning. One Olympian said, "My goal was to set a world record. Well, I did that, but someone else did it too, just a little faster than I did. I achieved my goal and I lost. Does this make me a failure? No, in fact I am very proud of that swim." What a tremendous outlook to carry on through life.

X. Thou shalt not expect thy child to become an Olympian.

There are 250,000 athletes in USA Swimming. There are only 52 spots available for the Olympic Team every four years. Your child's odds of becoming an Olympian are about .0002%.

Positive Parenting Tips

- 1. Your child needs your emotional, physical, and financial support. Be liberal in providing this support.
- 2. Support but do not push your child.
- 3. Understand development long-term development as an athlete, and growth and development as it impacts performance.
- 4. Be realistic in terms of expectations; factor in age and skill level; be aware of your child's perception of your expectations.
- Emphasize performance and effort, not just outcome. The athlete only has control over his/her performance. Define and measure success as giving maximal effort and as personal improvement.
- 6. Keep winning in perspective.
- 7. Do not bribe.
- 8. Give plenty of encouraging and rewarding statements. Criticize sparingly.
- 9. View swimming as an arena in which to teach your child about commitment, hard work, and coping with adversity.
- 10. Work to form an effective Coach-Athlete-Parent Triangle.

Are You a Pressure Parent?

The following survey has been taken from the *Amateur Swimming Association of Great Britain*. If you answer yes to one or more of these questions, you may be in danger of pressuring your child. It is important to remember that the parents' role is critical and should be supportive at all times to ensure a positive experience for your child.

- Is winning more important to you than it is to your child?
- When your child has a poor swim, is your disappointment, such as through body language or vocal tones, obvious?
- Do you feel that you are the one to have to "psyche" your child up before competition?
- Do you feel that winning is the only way your child can enjoy the sport?
- Do you conduct "post mortems" immediately after competition or practice?
- Do you feel that you have to force your child to go to practice?
- Do you find yourself wanting to interfere with coaching and instructions during practice or competition thinking that you could do better?
- Do you find yourself disliking your child's opponents?
- Are your child's goals more important to you than they are to your child?
- Do you provide material rewards for performance?

Everything You Wanted to Know About Swim Meets but Were Afraid to Ask

Before the Meet Starts

- 1. Arrive at the pool at least 15 minutes before the scheduled warm-up time begins.
- Upon arrival, find a place to put your swimmer's blankets, swim bags and/or sleeping bags. The team usually sits in one place together, so look for some familiar faces.
- 3. Find the check-in place. Usually, parents are not allowed on deck so this may be a responsibility of your swimmer or your swimmer's coach. Make sure your swimmer checks in with his or her coach!
- 4. Once "checked in", write or have the swimmers write each event-number on his or her hand in ink. This helps him/her remember what events he/she is swimming and what event number to listen or watch for. The coach will help with this as well.
- 5. Your swimmer now gets his/her cap and goggles and reports to the pool and/or coach for warm-up instructions. It is very important for all swimmers to warm-up with the team. A swimmer's body is just like a car on a cold day-he/she needs to get the engine going and warmed-up before he/she can go all out.
- 6. After warm-up, your swimmer will go back to the area where his/her team is sitting and wait there until his first event is called. This is a good time to make sure he/she goes to the bathroom if necessary, gets a drink, or just gets settled in.
- 7. The meet will usually start about 10-15 minutes after warm-ups are over.
- 8. According to USA Swimming rules (because of insurance purposes), parents are not allowed on deck unless they are serving in an official capacity. Similarly, all questions concerning meet results, an officiating call, or the conduct of a meet, should be referred to a coach. He or she in turn, will pursue the matter through the proper channels.
- 9. Psyche Sheet or Heat Sheets. A psyche sheet is usually available for sale in the lobby or concession area of the pool. It lists all swimmers in each event in order of "seed time". When the team entry is sent in, each swimmer and his/her previous best time (up to the date that the entry was submitted) in that event is listed. If the swimmer is swimming an event for the first time, he/she will be entered as a "no-time" or "NT". A "no-time" swimmer will most likely swim in one of the first heats of the event. A Heat sheet may be available close to the start of the meet that lists the actual heat and lane a swimmer will be competing in.

Meet Starts

- 1. It is important for any swimmer to know what event numbers he/she is swimming (again, why they should have the numbers on their hand). He/she may swim right away after warm-up or they may have to wait awhile.
- 2. Generally, girls' events are odd-numbered and boys' events are even-numbered. Example: "Event #26, 10-Under Boys, 50 freestyle"
- 3. After each swim:
 - 1. He/she is to ask the timers (people behind the blocks at each lane) his/her time.

- 2. Depending on the coaches' instructions, the swimmer may be asked to do some recovery swimming if a "warm down" pool or lanes are available.
- 3. The swimmer should then go immediately to his or her coach. The coach will discuss the swim with each swimmer. Some coaches may wish to talk with the swimmer before her recovery swim.
- 4. Generally, the coach follows these guidelines when discussing swims:
 - 1. Positive comments or praise
 - 2. Suggestions for improvement
 - 3. Positive comments
- 5. Things you, as a parent, can do after each swim:
 - 1. Tell him how great he did! The coaching staff will be sure to discuss stroke technique with him. You need to tell him how proud you are and what a great job he did.
 - 2. Take him back to the team area and relax.
 - 3. This is another good time to check out the bathrooms, get a drink or something light to eat.
 - 4. The swimmer now waits until his next event is called and starts the procedure again.
- 6. When a swimmer has completed all of her events she and her parents get to go home. Make sure, however, you, as a parent, check with the coach before leaving to make sure your swimmer is not included on a relay. It is not fair to other swimmers who may have stayed to swim on a relay where your swimmer is expected to be a member and she is not there.
- 7. Results are usually posted somewhere in the facility. Awards are often gathered for a team and given to the coach at the end of the meet. The coach will give the awards to the swimmers at a later time.

What Happens If Your Child has a Disappointing Swim?

If your child has a poor race and comes out of it feeling badly, talk about the good things. Don't talk about the negative things and don't keep talking about the race. Drop it and get your child to focus on the next race or something enjoyable coming up after the meet! Limit the "post mortems!"

If your child comes up to you and says, "That was a bad race, don't tell me it wasn't," there is nothing wrong with a swimmer negatively evaluating a race. The important thing is for the child not to dwell on it. You should move the swimmer on to something good. "All right, you have had a bad race. How do you think you can do better next time?" Immediately start talking about the positive things.

Special Parent's Note:

The pool area is usually very warm. Therefore, you need to make sure you dress appropriately. Nothing is worse than being hot at a swim meet. It makes the time pass very slowly! At some of the meets, the parents are allowed to sit with the swimmers at the blanket area. If you don't think that a gym floor is comfortable, feel free to bring folding chairs to sit on. Better yet, become an official and get involved! You get to be close to the action and take the focus off of your own child!

A thought from Rowdy Gaines, Olympic Gold Medalist and former World Record Holder:

"I believe we swim for two major reasons – 1) TO SWIM FAST!!! And 2) TO HAVE FUN!!! And the amazing thing is, these reasons are so intertwined. There is no way you will ever be able to swim fast unless you enjoy the sport, and I don't think you will have much fun in the long run unless you see some success. But you've got to remember that success is measured in so many different ways. To tell you the truth, I remember so many things about my swimming career, but I couldn't tell you my best times in my events. I do remember the friends I made, the travel that was so much fun, the high school bus trips to meets, the shave-down parties and the many values the sport taught me."

GLOSSARY OF SWIMMING TERMS

Age Group Division of swimmers according to age. The National Age Group

divisions are: 10-under, 11-12, 13-14, 15-16, and 17-18. Some LSCs have divided the swimmers into more convenient divisions specific to their situations: (i.e.) 8-under, 13-Over, 15-Over, Junior,

Senior.

Alternate In a Prelims/Finals meet, after the finalists are decided, the next

two fastest swimmers other than the finalists are designated as alternates. The faster of the two being the first alternate and the next being second alternate. If a finalist cannot participate, the

alternates are called to take their place.

Anchor The final swimmer in a relay.

Approved Meet A meet conducted with sufficient USA Swimming officials to certify

conformance to USA Swimming rules. The meet may include competitors who are not USA Swimming members. The meet may be a competition sanctioned at the LSC level with the added approval of USA Swimming because both member and non-

member athletes will be competing.

ASCA the American Swim Coaches Association. The professional

organization for swim coaches throughout the nation. Certifying coaches and offering many services for coaches' education and

career advancement

Bonus Heat The heat held during the finals session of a Prelims/Finals meet

that is slower than the swimmers participating in Big Finals. The Bonus Heat may refer to Consolation Finals or an extra heat in

addition to Consolation finals.

Circle Seeding A method of seeding swimmers when they are participating in a

prelims/finals event. The fastest 18 to 24 swimmers are seeded in the last three heats, with the fastest swimmers being in the inside lanes. (i.e.) Lane 4 in the final three heats. See rule book for exact

method for seeding depending on the lanes in the pool.

Colorado A brand of automatic timing system.

Consolation Finals After the fastest six or eight swimmers, the next six or eight

swimmers (depending on the number of pool lanes) in a

Prelims/Finals meet who, after the prelims are swum, qualify to return to the Finals. Consolations are the second fastest heat of finals when multiple heats are held and are conducted before the

Championship heat.

Deck Entries Accepting entries into swimming events on the first day or later day

of a meet.

Deck Seeding Swimmers report to a bull pen or staging area and receive their

lane and heat assignments for the events.

Disqualified A swimmer's performance is not counted because of a rules

infraction. A disqualification is shown by an official raising one arm

with open hand above their head.

Entry Chairperson The host club's designated person who is responsible for receiving,

and making sure the entries have met the deadline, or returning the entries if the meet is full. This person usually will find discrepancies in the meet entries and notify the entering club to correct any

errors

Entry Fees The amount per event a swimmer or relay is charged. This varies

depending on the LSC and type of meet.

Entry Limit Each meet will usually have a limit of total swimmers they can

accept, or a time limit they cannot exceed. Once an entry limit has been reached, a meet will be closed and all other entries returned.

Electronic Timing Timing system operated on DC current (battery). The timing system

usually has touchpads in the water, junction boxes on the deck with hook up cables, buttons for backup timing, and a computer-type console that prints out the results of each race. Some systems are

hooked up to a scoreboard that displays swimmers.

False Start When a swimmer leaves the starting block before the horn or gun.

One false start will disqualify a swimmer or a relay team, although the starter or referee may disallow the false start due to unusual

circumstances.

Heats A division of an event when there are too many swimmers to

compete at the same time. The results are compiled by swimmers

time swum, after all heats of the event are completed.

Heat Award A ribbon or coupon given to the winner of a single heat at an age

group swim meet.

Heat Sheet The pre-meet printed listings of swimmers' seed times in the

various events at a swim meet. These sheets vary in accuracy, since the coaches submit swimmers times many weeks before the meet. Heat sheets are sold at the admissions table and are used mainly to make sure the swimmer has been properly entered in all the events they signed up for. Parents enjoy looking at the seeding prior to the race plus swimmers can tell the order the events will be conducted and get a rough idea how long the meet sessions will

last.

High Point An award given to the swimmer scoring the most points in a given

age group at a swim meet. All meets do not offer high point awards;

check the pre meet information.

Long Course A 50-meter pool.

LSC Local Swim Committee. The local level administrative division of

the corporation (USA-S) with supervisory responsibilities within certain geographic boundaries designated by the Corporation

Positive Check In The procedure required before a swimmer swims an event in a

deck seeded or pre seeded meet. The swimmer must mark their

name on a list posted by the meet host.

Prelims Session of a Prelims/Finals meet in which the qualification heats

are conducted.

Prelims-Finals Type of meet with two sessions. The preliminary heats are usually

held in the morning session. The fastest six or eight (Championship

Heat) swimmers, and the next fastest six or eight swimmers

(Consolation Heat) return in the evening to compete in the Finals. A swimmer who has qualified in the Consolation Finals may not place in the Championship Finals even if their finals time would place

them so. The converse also applies.

Pre-seeded A meet conducted without a bull pen in which a swimmer knows

what lane and heat they are in by looking at the heat sheet or

posted meet program.

Psyche Sheet An entry sheet showing all swimmers entered into each individual

event. Sometimes referred to as a "Heat Sheet" or meet program. However, a "heat sheet" would show not only every swimmer in an

event, but also what heat and lane they are swimming in.

Relays A swimming event in which four swimmers participate as a team.

Each swimmer completes an equal distance of the race. There are

two types of relays: 1.) Medley relay - One swimmer swims

Backstroke, one swimmer swims Breaststroke, one swimmer swims Butterfly, one swimmer swims Freestyle, in that order. Medley relays are conducted over 200 yd. /mtr and 400 yd. /mtr distances.

2.) Freestyle relay - Each swimmer swims freestyle. Free relays are

conducted over 200 yd. /mtr, 400 yd. /mtr, and 800 yd. /mtr

distances.

Sanctioned Meet A meet that is approved by the LSC in which it is held. Meet

must be conducted according to USA Swimming rules. All

participants, including coaches, athletes and officials, must be USA

Swimming members.

Scratch To withdraw from an event after having declared an intention to

participate. Some meets have scratch deadlines and specific

scratch rules, and if not followed, swimmer can be disqualified from

remaining events.

Split A portion of an event that is shorter than the total distance and is

timed. (i.e.) A swimmer's first 50 time is taken as the swimmer swims the 100 race. It is common to take multiple splits for the

longer distances.

Timed Finals Competition in which only heats are swum and final placings are

determined by those times.

Time Standard A time set by a meet or LSC or USA-S (etc.) that a swimmer must

achieve for qualification or recognition.
