A referral discount will be the amount of the first month dues of the new swimmer (i.e. Jenny joins the team and pays \$300 her first month, that \$300 would be a credit to the referring party).

PRICING BREAKDOWN - ATLA REGISTRATION & FUNDRAISER

- In September and April of each year we have a registration fee associated with the team.
- April fees are usually admin and apparel fees and are only for the Spring/Summer season. (***\$50 per swimmer for Spring/Summer 2025***)
- We are still honoring our parent job discounts! Since there is no fundraiser this season, all jobs worked will be applied directly to your account fees.

PRICING BREAKDOWN - MEET FEES

- There are extra fees associated with meets.
 - \$5-\$10 per event depending on the meet. This goes to host team like PHX or SOLO, not ATLA.
 - \$25-\$30 admin fee to host swim team per swimmer.
 - \$1-\$2 travel fee to New England Swimming
 - \$15-\$30 Atlantis Travel fee (\$15 for local meets, \$30 for travel meets with overnights)
- These fees are non-refundable once the entry is processed. We write a check to the host team the day we turn in entires and we do not get refunded if your swimmer has to scratch out of the meet for any reason.
- I can refund the Atlantis fee if you have to miss a meet.

PRICING BREAKDOWN - POOL MEMBERSHIP FEES

- The Portsmouth Indoor Pool requires all swim team members also be pool members. This is done all through the facility itself so needs to be set up on your own before (or on) your first day of practice.
- The Jenny Thompson Outdoor Pool does not require a membership.
