

## **TEAM JOBS FOR PARENTS**

1. Parent Liaison - Communicates with parents, captains, and coaches about team events and affairs. Coordinates carpooling. **ATLA FUNDRAISING WAIVED.**
2. Special Event Coordinator - Works as the lead organizer of team events. Works with coaches, captains, and parent liaisons. **\$50 off fundraising goal per event.**
3. Meet Monitor - Sits with swimmers at a meet to make sure they are behaving and showing up to events on time. Watches over the team area. **\$20 off fundraising goal per session.**
4. Officiating a Swim Meet - (Training required) Helps judge correct stroke technique at meets. Gets to be on deck for the meet session. **\$50 off fundraising goal per session and swimmer meet fees waived per session.**
5. Timing a Swim Meet - (No training required) Help time for a meet session. Gets to be on deck for entire session. **\$30 off fundraising goal per session.**
6. Referral program - If you refer a swimmer to the team and they are placed in a group, you will get that same amount of dues deducted from your next monthly bill OR be applied as a credit to swim meet fees. Example, if your friend Jane's daughter joins the KRAKEN group, that monthly fee is \$200 so that would be applied as a credit to you. If you bring in a SIREN swimmer, that would be a \$300 credit to you.
7. Safe Sport - We need as many parents and swimmers over the age of 13 as possible to go through the USA Swimming/Safe Sport training before our January hosted meet. This is about a 1-2 hour class online through your USA Swimming account. For each parent and swimmer in the house that completes the Safe Sport training (only one adult and one swimmer per household is applicable) you will be credited **\$25 off fundraising goal per person.**
