KFRI Salute to Service

To express our gratitude for those who serve to protect our community, KFRI will grant a 5% discount to any athlete whose parent(s) or guardian(s) serve(s) in the Military, Police Force, or Fire Department. Applicants for this discount must email either Matt Emmert or Connor Devers with a request for the discount and valid work ID verifying employment with any of the aforementioned organizations.

Dues Policy

The 12 month billing year for dues begins on August 1st and ends on July 31st. **An annual team registration fee of \$250 will be charged.** A USA Swimming membership fee is required to participate in sanctioned competitions. Monthly dues will be charged on the first of every month; cancellations must occur before this time. Dues charges are non-refundable. An athlete who cancels their membership mid-month will not be allowed to participate in any scheduled competitions following the cancellation until the subscription is renewed. An athlete who cancels their subscription mid-month but fails to remove themselves from a scheduled competition before the meet commitment deadline will be charged all associated meet fees.

Annual Commitment Policy

The monthly rate for the Annual Commitment tuition rate is contingent upon agreement to pay the specified rate for the specified amount of time (ie 12 months). By selecting the Annual Commitment rate upon registration, the account holder consents to pay the specified rate for the full term of the billing year. Cancellation of a 12 month plan will result in the full remaining sum of the plan being charged to the account holder at the time of cancellation. The 12 Month subscription plan can be paid in full at the beginning of the subscription term, or paid in 12 monthly installments.

Ultra Team Policy

Athletes in the Senior Ultra training group are expected to train with the intention of carrying their swimming career past high school. As such, members of the Senior Ultra training group will be required to train & pay dues in a schedule that mirrors that of a College Swimming Program: from the months of August through April. Senior Ultra athletes will be automatically entered in all meets within this timeframe.

Credit Card Policy

Kingfish RI expects athletes in the Senior Ultra group to compete in competitions through the Spring & Summer of their Senior Year of High School, as well as any Spring/Summer that a college athlete returns to train with the team. Kingfish RI reserves the right to waive an athlete's Ultra status if they fail to meet these conditions.

Starting 08/22/2023, all members will be required to pay their credit card or ACH. Only electronic forms of payment will be accepted.
