COURSE	• SCY • Entry times will be seeded in the following order: SCY, LCM, SCM
FORMAT:	• The meet will be conducted in a trials/finals format. Prelims and Finals will be conducted in 8 lanes. There will be 3 heats in Finals: C (bonus final), B (consolation), and A (Championship) heats, in that order, in all individual events, except the 1000 Freestyle and 1650 Freestyle. The A

	and B finals will score. The 1000 Freestyle and 1650 Freestyle are timed finals events. No events will swim with more than one swimmer per lane. • 50 yard events, except the 50 Freestyle, will use their time in the 100 of the event to qualify and enter the event, even if they have a 50 time in SWIMS. • Breaks within sessions may be added at the discretion of the Meet Director and Meet Referee in consultation with the Senior Chair and Performance and Development Vice Chair. • DISTANCE EVENTS: The 1000 and 1650 Freestyles are timed finals. On Thursday evening, the women's 1000 Freestyle and the men's 1650 Freestyle will be seeded fastest to slowest, alternating heats women/men. On Sunday, the fastest seeded heat (8 swimmers) of the women's 1650 Freestyle and the men's 1000 Freestyle will compete in Finals. All other heats will be fastest to slowest alternating women/men, immediately after the completion of the final Sunday prelims event. All distance swimmers in the prelim heats must provide one timer for their swims. • EARLY DISTANCE OPTION: During the positive check-in process for the Women's 1650 Freestyle and the Men's 1000 Freestyle on Sunday, coaches will have the option of declaring for a preliminary session swim. The fastest 8 swimmers who state no preference to compete in the preliminary session will be seeded into the finals session. • THURSDAY DISTANCE: There will be a warm-up session at the conclusion of the distance events and before the start of the 800 Free Relays. The length of the warm-up will be determined by the Meet Director after the seeding of the distance events but will be no less than 20 minutes. • 500 FREESTYLE AND 400 IM: At the discretion of the Meet Referee, in consultation with the Meet Director, Senior Chair, and Performance and Development Vice Chair, the 500 Freestyle and 400 IM may be seeded in an A/B flight format. All swimmers in the 500 Freestyle and 400 IM must provide 1 timer regardless of flighting. ○ Flight A: The fastest 4 heats of women will be swum slowest to fastest (with the top 2 heats circle seeded) followed by the fastest 4 heats of men swum slowest to fastest (with the top two heats circle seeded). ○ Flight B: The remaining heats will be swum fastest to slowest, alternating women/men. (These heats may be swum at the end of the session).
SCRATCHES	• Scratch forms will be located at the Control Table on deck. • Entrants in the Thursday 1000 and 1650 Freestyles must positively check in and confirm their intention to compete by 4:00 PM on Thursday. • Other pre-meet scratches (including relays) can be e-mailed to mobrien8146@gmail.com by 4:00 PM on Thursday, December 18, 2025. Write: "SCRATCH —your team's name" in the subject of the email. • All scratches for prelim sessions, including relays, are due 30 minutes after the start of the finals session the night before. Scratches should be processed, in person, at the control table. In the event that you need to scratch but have not yet arrived at the pool, please email jessworkman.swim@gmail.com. • Positive check in for the Women's 1650 Freestyle and the Men's 1000 Freestyle are due 30 minutes after the start of finals on Saturday evening. • Coaches and swimmers are expected to understand the scratch, verification and relay rules before the meet begins. • In all events where preliminary heats are necessary or in any timed final event for which the swimmer has been positively checked in, after the heats have been seeded, any swimmer who fails to compete in an individual event heat in which such swimmer entered and has not been scratched in will be barred from all further individual and relay events of that day. The application of this penalty shall pertain to the order in which the event/heats are swum, not the numerical order of the events. Additionally, that swimmer shall not be seeded in any individual events on succeeding days unless that swimmer declares an intent to swim prior to the close of the scratch box for that day's events. As an alternative, the swimmer may elect to pay a fine of \$100 for immediate reinstatement in the meet, to be split between New England Swimming and the meet host. The Meet Referee has the discretion to waive the penalty in the case of illness, injury, and/or other circumstances beyond the control of the swimmer.

	Scratches from finals will be conducted in accordance with articles 207.11.6D and 207.11.6E in the USA Swimming rules, with the only deviation concerning the penalties for failure to compete: Failure to compete in the finals round of a prelim/finals event, without properly scratching, will result in the swimmer being barred from all further competition for the remainder of the Meet, including relays. In the event that the swimmer has no further competition from which to be penalized, a \$100 fine will apply, to be split between New England Swimming and the meet host.

Timers must be positioned over the lane at the end of the racing course. Optionally, a Legal Split may be requested after the event using a Legal Split Form when using a fully automatic timing system. The Admin Official has discretion to either grant or deny the request after reviewing the available evidence. Backstroke Legal Splits must be requested in advance to ensure a legal finish. LEGAL SPLITS – Relays: All lead-off splits for relays are automatically loaded into SWIMS and do not require additional watches for validation unless there are no touchpads present or the second swimmer starts in the water. If there are no touchpads or the second swimmer starts in the water, a legal split form with three watches will be required for entry into SWIMS. Timers must be positioned over the lane at the end of the racing course. It is recommended that coaches report lead-off time discrepancies to the Administrative Referee or Administrative Official.																																																																				
SWIMWEAR	Per USA Swimming rules (102.8.1.F), 12&Under swimmers may not wear a Technical Suit at any Sanctioned, Approved, or Observed meet. The age of the swimmer is determined on the first day of the meet. Guidance on identifying compliant and non-compliant suits can be found on the USA Swimming website under Tech Suit Restriction for 12-and-Under Swimmers .

Use of audio or visual recording devices, including a cell phone, is not permitted behind the starting blocks, including in any spectator area behind the starting blocks, nor in any other marked NO CAMERA ZONE, including on deck. All NO CAMERA ZONES will be clearly designated. Email the Meet Director with questions and requests. • VIDEO STREAMING: All video streaming must be approved in advance by the Meet Director. Any such video stream must conform to all current SafeSport policies defined by USAS, NES, and the Meet Host. No video stream may originate from behind the starting blocks or from any other area marked as a NO CAMERA ZONE. • Deck Changing is PROHIBITED. • An athlete suspected of sustaining a concussion or exhibiting signs of a concussion, will immediately be removed from competition and shall not return to competition that day. 	● According to NES Best Practices, all athletes should shower before entering the pool. ● In accordance with NES Policy, only those coaches who have current, valid USAS credentials will be permitted to act in a coaching capacity at this meet. Coaches with expired or non-current credentials will be required to leave the deck area.
SAFETY	● No shaving is permitted at the competition site. ● No glass containers are permitted within the facility. ● Swimmers must be under the supervision of a coach. If a swimmer arrives at the meet without a coach, the swimmer should notify the Meet Referee before he/she warms up, and the Meet Referee will assign the swimmer to a registered coach for warm-ups. ● Medical assistance will be provided at the facility. If you require medical assistance, please notify a facility lifeguard, or a member of the meet staff. The closest hospital and emergency room is Lawrence General Hospital, 1 General St, Lawrence, MA 01841 ● WARM UP SAFETY: ○ Diving will be prohibited during warm-ups except in specifically announced one-way sprint lanes. There will be no diving in the warm-up and warm-down areas at any time. ○ For all warm-up sessions, swimmers must utilize a “sit-and-slide” / “three-point” entry to enter the pool for warm-ups, by first sitting on the deck, and then sliding, feet-first, into the pool. ○ In extraordinary cases, due to bulkheads and other pool designs, it may be determined that it is unsafe or impossible for swimmers to perform the required sit and slide entry. In such extremely rare cases, the sit and slide rule may be modified. Exceptions to the sit and slide rule shall only be made when performing the sit and slide entry poses risk of injury to swimmers and/or risk damaging or ripping of swimsuits. An exception to the sit and slide rule shall only be made when the Safety Monitor, Meet Director, and Meet Referee have evaluated the risks and unanimously determined that the use of the sit and slide entry poses such great risk as to be unsafe. In these cases, the Safety Monitor, Meet Director, and Meet Referee must determine and agree upon an alternative safety plan to ensure swimmer safety.
