

Recreational Team

Our recreational team will have six sessions over the 2025-2026 season. Practices will run for one hour on Monday and Wednesday evenings from 6:30-7:30pm. All new swimmers must be evaluated before joining and demonstrate their ability to safely swim 25 yards of the pool unassisted. Swimmers may join in any session they choose. You do not have to participate in all sessions. You may jump in and out of the sessions as you choose. There is a once a season nonrefundable registration fee \$100 with a maximum of \$200 per family. Each session is \$250 per swimmer due two weeks prior to the start of each session and this will secure your spot. We will limit the total number of swimmers each session. If you have not secured your spot you will be put on our waiting list. There are no attendance requirements for this group.

This group will focus on providing instruction of the four competitive strokes, starts and turns and swim etiquette in order to develop the skills necessary to become a competitive swimmer. It will also allow swimmers to build skills in order to participate in our other Competitive groups offered. Although we will focus on developing skills, this group was put in place to provide some healthy exercise in a fun manner. We will not require competition but will offer some opportunities. We simply want to provide swimmers the opportunity to participate in a life long sport that promotes good health, great life lessons and lasting memories.

To secure your spot for the upcoming season the registration fee of \$100 per swimmer with a \$200 family max is due by July 15, 2025. The first session payment of \$250 per swimmer is due by August 18, 2025.

2025-2026 Recreational Team Calendar

	Start	End	No practice dates
Session 1	9/08/25	10/20/25	10/13/25
